

Town of Candia
Community Power Committee
Agenda
December 22, 2022 @ 6:30 pm
Town Hall Meeting Room

PUBLIC HEARING;

This meeting is held in conjunction with the Candia Recycling and Energy Committee

A presentation of the program will be conducted which is meant to highlight program goals and objectives as well as show progress to date. Also on hand will be Emily Manns, the Project Coordinator from our partner, Standard Power. Emily will guide us through a PowerPoint presentation clearly explaining the program and answering any questions from the committee or from and public that attend.
