Town of CANDIA

TOWN REPORTS

Year Ending December 31, 1986

SCHOOL DISTRICT REPORTS

Year-Ending June 30, 1986

© New Hampshire
1986

ABOUT THIS REPORT

This report is prepared and printed for your benefit and is intended to give you a complete picture of your town and school, what has been done, where the money went, and what faces us in the future.

For your convenience, we have color coded the report this year. Town matters are white and all school matters are salmon.

We endeavor each year to improve your report to make it readable and understandable. If you have any suggestions as to how we might make further improvements, please let us know.

Thank you,
Your Town Officers

SELECTMEN

meet every first and third Monday of the month at 7:00 P.M. at the Moore School.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:00 P.M.

TO THE INHABITANTS OF THE TOWN OF CANDIA, IN THE COUNTY OF ROCKINGHAM, IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at Moore School Auditorium in said Candia, on Tuesday the 10th of March next, at ten of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing:

Article 2. To see if the Town will vote to adopt changes in zoning and building regulations proposed by the Planning Board to be voted by secret ballot.

You are hereby notified to meet on Friday the thirteenth of March next at seven thirty in the evening at Moore School Auditorium to consider the following articles:

Article 3. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars and no cents (\$200,000.00) for the purpose of acquiring property for a Town Hall. Further, to authorize the Selectmen to negotiate the issuance of bonds or serial notes according to such conditions as the Selectmen may deem prudent, pursuant to RSA 33.

Article 4. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Thousand Dollars and no cents (\$750,000.00) for the construction and furnishing of a Town Hall. Further, to authorize the Selectmen to negotiate the issuance of bonds or serial notes according to such conditions as the Selectmen may deem prudent, pursuant to RSA 33.

Article 5. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars and no cents (\$2,000.00) in continuation of its support for the services of the Newmarket Regional Health Center.

Article 6. To see if the Town will vote to raise and appropriate the sum of Three Thousand Nine Hundred Fifty Three Dollars and no cents (\$3,953.00) to be paid to the Visiting Nurse Association and Home Health Care Agency of Greater Manchester, Inc., to defray the Agency's activities in the Town.

Article 7. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars and no cents (\$5,000.00) in continuation of its support for the services of the Raymond Ambulance, Inc.

Article 8. To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Ten Dollars and no cents (\$1,510.00) to the Rockingham County Community Action Program, Inc.

Article 9. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars and no cents (\$500.00) to be paid to the Rockingham Child and Family Services, a private, non-profit, social service agency.

Article 10. To see if the Town will vote to raise and appropriate the sum of Four Thousand and no cents (\$4,000.00) for the operation expenses of the Candia Recreation Association. The money to be spent under the direction of the Candia Recreation Association.

Article 11. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars and no cents (\$7,000.00) to be paid to Candia Rescue. Such funds to be expended under the direction of Candia Rescue and to be disbursed to Candia Rescue by April 30, 1987

Article 12. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars and no cents (\$30,000.00) for the operating expenses of the Smyth Public Library. These funds to be expended under the direction of the trustees of the Smyth Public Library Association of Candia.

Article 13. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars and no cents (\$2,000.00) to be used for procuring a copy machine for public use. These funds to be expended under the direction of the trustees of the Smyth Public Library Association of Candia.

Article 14. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars and no cents (\$30,000.00) for fire supression and prevention for the Town of Candia. The Monies to be spent under the direction of the Candia Volunteer Firemen's Association, Inc. and to be received in full on or before April 30, 1987.

Article 15. To see if the Town will vote to raise and appropriate the sum of Seventy-Seven Hundred Dollars and no cents (\$7,700.00) for the purchase of one air compressor for the Candia Volunteer Fire Department, the compressor will supply breathing grade air for filling of self contained breathing apparatus, spare bottles and cascade system. Also included in this purchase is a fill station for the purpose of safely filling this equipment. These monies to be spent under the direction of the Candia Volunteer Firemen's Association, Inc. and paid on receipt and set up of the compressor and fill station at the Candia Fire Station.

Article 16. To see if the Town will vote to appropriate Seventeen Thousand Two Hundred Ninety Nine Dollars and forty six cents (\$17,299.46) for a computer System and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

Article 17. To see if the Town will vote to accept that portion of the budget not already acted upon and raise the sum of Six Hundred Forty Nine Thousand Eight Hundred Seven Dollars and no cents. (\$649,807.00).

Article 18. To see if the Town of Candia is in favor of a three year term (3) for the Treasurer of the Town of Candia, term to begin in March 1988. By petition of thirteen registered voters:

Article 19. To see if the Town will vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Candia unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot. By petition of twelve registered voters.

Article 20. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting, money from the State, Federal or other Governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 31:95-b.

Article 21. To see if the Town will vote to authorize the Town to accept such funds as are made available to the Candia Forest Fire Warden, under the Rural Development Act of 1972, Title Iv.

Article 22. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen to negotiate temporary loans in anticipation of taxes.

Article 23. To see if the Town will vote to accept such trust funds as have been received this past year.

Article 24. To see if the Town will vote to authorize the Selectmen to administer or convey by auction or advertised sealed bids, any real estate acquired by the Town through Tax Collector's deed. Pursuant to RSA 80:42.

Article 25. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 16th day of February in the year of our Lord, Nineteen Hundred and Eighty Seven.

SELECTMEN OF CANDIA

CANDIA TOWN MEETING

MARCH 14, 1986

Moderator A. Ronald Thomas called the meeting to order at 7:36 PM. Mr. Thomas reminded the assembly of the ground rules that would be in operation during the evening. Only registered voters would be allowed to participate. Since there were no objections, the following non-registered voters will be allowed to speak: Frank Spinazzola, and Priscilla Shaw. Nancy and David Hawanic of Patten Hill Road will also be recognized to speak.

Article 1. To see if the town will vote to raise and appropriate the sum of One Thousand Seven Hundred Dollars and no cents (\$1,700.00) in continuation of its support for the services of the Newmarket Regional Health Center. The motion was made by Donald Coleman to accept the article and seconded by Charles Bowman. Priscilla Shaw was recognized to speak to the motion on behalf of the Center. Ms. Shaw outlined some of the services provided by the Center, including clinics in Raymond and Newmarket, community visits, transportation to senior citizens, etc. There was no discussion on the article, and when put to a vote. Article 1, was passed.

Article 2. To see if the Town will vote to raise and appropriate the sum of Three Thousand Nine Hundred Fifty-Three Dollars and no cents (\$3,953.00) to be paid to the Visiting Nurse Association and Home Health Care Agency of Greater Manchester, Inc., to defray the Agency's activities in the Town. Janet Manter was recognized to make the motion that the article be accepted as read. The motion was seconded by Mr. Bowman. Mrs. Manter then was recognized to speak to the article. There was no discussion, and when voted upon, Article 2 Passed.

Article 3. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars and no cents (\$5,000.00) in continuation of its support for the services of the Raymond Ambulance, Inc. Motion was made by Donald Coleman and seconded by Mr. Bowman. Mr. Coleman then spoke to the article praising their service and rapid response. There was no discussion, and when moved to a vote, Article 3 Passed.

Article 4. To see if the Town will vote to raise and appropriate the sum of One Thousand Seven Hundred Eighty-Two Dollars (\$1,782.00) to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc., a private, non-profit, anti-poverty agency. Motion was made by Helen Wilson and seconded by Charles Bowman. Mrs. Wilson was then recognized to speak to the article. There was no further discussion, and when voted upon, Article 4 Passed.

Article 5. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars and no cents (\$500.00) to be paid to the Rockingham Child and Family Services, a private, non-profit, social service agency. Donald Coleman was recognized for the purposes of making a motion, Mr. Bowman seconded the motion. Mr. Coleman spoke to the article, explaining the counseling services rendered this past year. There was no discussion on the article, and when put to a vote, Article 5 Passed.

Article 6. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars and no cents (\$4,000.00) for the operating expenses of the Candia Recreation Association. The money to be spent under the direction of the Candia Recreation Association. Motion was made by Betty Thomson to accept the article as read, and seconded by Don Coleman. Mrs. Thomson was recognized to speak to the motion, and pointed out the programs available as well as the report of the Association would be on file with the Town Clerk. Mrs. Thomson also was pleased to announce that there are three new people on the committee: Mrs. Davis, Mrs. Leavitt, and Shirley Theis. After brief discussion the article was put to a vote and passed.

Article 7. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars and no cents (\$7,000.00) to Candia Rescue. Such funds to be expended under the direction of Candia Rescue and to be disbursed to Candia Rescue by April 30, 1986. Motion was made by Maria Seavey to accept the article as read and seconded by Mr. Bowman. Mrs. Seavey thanked everyone for their support of Candia Rescue and pointed out the information on pages 55 and 56 of the last Town Report. There was no discussion on the article, and when put to a vote, the article Passed.

Article 8. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars and no cents (\$30,000.00) to the Smyth Public Library Association of Candia. Twenty-Two Thousand and no cents (\$22,000.00) of these funds to be used for operating expenses of the Smyth Public Library, and Eight Thousand and no cents (\$8,000.00) of these funds to be used for repairs to the roof of the Smyth Public Library. These funds to be expended under the direction of the trustees of the Smyth Public Library Association of Candia. Linda Thomas was recognized for the purpose of a motion; the article was seconded by Mr. Bowman. Mrs. Thomas then spoke to the motion. She explained the problems that the library has been having with the leaks in the roof. Since the roof is slate, repairs are more difficult and also costlier. There are few roofers who will work on slate roofs. The foyer has been badly water damaged, and the flashing, which was copper, has disintegrated. Mr. Snow also helped clarify the roof situation, explaining that the roof on the building is now over fifty years old, the flashing has deteriorated to the point where it is no longer effective, and there is fear that there may be dry rot. Mrs. Thomas answered a question concerning an addition to the existing library. She stated that at present, there are two building funds, there are plans for an addition in the future, however, at present there are not nearly enough funds to accomplish this. There was no further discussion, and when put to a vote Article 8 was Passed.

Article 9. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars and no cents (\$30,000.00) for fire suppression and prevention for the Town of Candia. These monies to be spent under the direction of the Candia Volunteer Firemen's Association, Inc. and to be received in full on or before April 30, 1986. Motion was made by Leonard Wilson and seconded by James Wilson. Len Wilson spoke to the article, stating that most of the increase of the budget was due to insurance cost increases. There was no discussion on the article, and when put to a vote, Article 9 was Passed.

Article 10. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Dollars and no cents (\$16,000.00) for the purchase of fire-fighting protective clothing for the members of the Candia Volunteer Fire Department. These monies to be spent under the direction of the Candia Volunteer Firemen's Association and paid on receipt of the protective clothing. Leonard Wilson was recognized for the purpose of a motion. This was seconded by James Wilson. Len Wilson spoke to the article, explaining the inadequacy of the present clothing, which will not even pass the flame test for children's sleepwear. Mr. Wilson also explained that at present, since the Department is Volunteer, each firefighter has been responsible for purchasing his own gear. The new gear would conform to insurance requirements, however, its cost would be very difficult for the individual members to bear. The Fire Department would be responsible for the maintenance of the protective clothing inventory from here on in, if this article is voted in. The gear is asbestos free. The new clothing means that the Firefighters could better collect if they are injured in the line of duty. After discussion and further questions to Mr. Wilson, Mr. Belcourt moved that debate be ended and the article be brought to a vote. There was no objection on the floor to moving the question, therefore the article was moved to a vote. Article 10 Passed.

Article 11. To see if the Town will vote to appropriate Fifteen Thousand Eight Hundred Dollars and no cents (\$15,800.00) for a complete 1986 Police Cruiser and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. Motion was made by Normand St. Onge and seconded by Don Coleman. Mr. St. Onge yielded the floor to Frank Spinazzola to speak to the article. Chief Spinazzola explained that there is presently a 1985 Cruiser with 39,000 miles on it and also the 1978 Chevy Cruiser still in service. The cruisers should be rotated to stretch out the life of the vehicle and cut down on wear and tear. Mrs. Wilson spoke stating that this is probably the last year Revenue Sharing Funds would be available from the Federal Government, and urged adoption of this article at this time. Mr. Spinazzola was asked if the officers currently use their private vehicles for patrolling, and the reply was that they do not. Mr. Reynolds moved to the question, since there was an objection, the Moderator stated that a two thirds vote would be required to move the question. There was a two thirds vote, the question was moved. The article was then brought to a vote, and Article 11 Passed.

Article 12. To see if the Town will vote to appropriate the sum of Five Thousand Dollars and no cents (\$5,000.00) for a new highway Wing and Plow and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. Motion was made by Ron Severino and seconded by Mr. Bowman. Mr. Severino was recognized to speak to the article, stating that the money would be used to replace one plow and one wing about twenty years old and quite rusted. There was no discussion on the article and when put to a vote, Article 12 was passed.

Article 13. To see if the Town will appropriate Two Thousand Two Hundred Fifty-Five Dollars and no cents (\$2,255.00) for the reconditioning and preservation of Candia's Town Record, Volume #1 and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. Motion was made by Christine Dupere and seconded by Mr. Coleman. Mrs. Dupere then spoke to the article, explaining that the restoration was necessary if the earliest town record book was to be preserved, as the present state of deterioration is severe. The book would be repaired at the Northeast Document Conservation Center in Andover, Massachusetts. The Records are a priceless part of our Town's early heritage, and should be preserved. There was no further discussion on the article, and when put to a vote, Article 13 was Passed.

Article 14. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars and no cents (\$20,000.00) to be deposited into the Town Office Capital Reserve Fund. Said monies to remain in the Capital Reserve Fund until a Town Office Building Plan is approved by the Town. Motion was made by Michael McRae to accept the article as read, Mr. Caddy seconded the motion. Mr. McRae was then recognized to speak to the article. He stated there was a handout available regarding the committee work. A discussion of the article followed, mainly dealing with the question of the appropriation of \$20,000.00 for the Fund. There was also a question on the lack of involvement of various Town agencies that were mentioned in last year's warrant. Mr. Charles Spaulding wished to make an ammendment: I move to amend Article 14 to discontinue the capital reserve fund for the Town Office. There was no second to the ammendment, which makes the ammendment null. Debate on Article 14 then continued. Bill House made a motion to move the question, there was no objection. Article 14 Passed.

Article 15. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Dollars and no cents (\$13,000.00) for the purpose of assigning and installing numbers for structures in the Town of Candia. The monies to be spent under the direction of the Candia Board of Selectmen and the committee formed for this purpose. Leonard Wilson made a motion to accept the article as read, this was seconded by Mr. Bowman. Mr. Wilson was then recognized to speak to the article. Mr. Wilson then wished to amend the article as follows: To see if the Town of Candia will vote to raise and appropriate the sum of Twelve Thousand Dollars and no cents (\$12,000.00) for the purpose of assigning and installing numbers for structures in the Town of Candia. The monies to be spent under the direction of the Candia Board of Selectmen and the committee formed for this purpose. The ammendment was seconded by Mr. Belcourt. Mr. Wilson then spoke to the ammendment. Within the last year, the committee has come up with a proposal to number the Town. A number would be assigned to every 50 feet along every road. There would not be a number placed every 50 feet, but only where there was a structure. The assignments of numbers, however, would provide for future construction. The signs would be on pressed aluminum backings with a reflective surface. These would be placed on a delineator post in the right-of-way in the road, in front of the structure that is to be identified. There was no further discussion, so the ammendment was moved to a vote. The ammendment Passed. Discussion on the ammended article was then resumed. Mr. Snow added that he was in the process of developing a computer system to number the houses in town. An Eagle Scout has been working to create a grid structure of the town. Mr. Wilson's system would

lay out the Town according to the roads; north, south, east and west. The idea is to keep the numbering as simple as possible. If the numbering is not carried out by the committee, the Post Office is going to assign numbers to the Town. Mrs. Falk, discussed the mandatory numbering that would be issued by the Post Office, indicating that if the Town assigned the number it would be much simpler. Mr. Cartier has amended the article to add a new sentence to the end of the article to read: Placement of the identifying numbers shall be on existing mailbox posts or in the absense of a mailbox post, shall be installed by the town on a delineator or on the house, if visible. This ammendment was seconded by Don Belcourt. Mr. Cartier then spoke to the ammendment. A discussion on the ammendment followed. An audience poll was requested by Mrs. Wilson, which showed that people would put a number on their mailboxes. A motion was made to move the question, there was an objection, which made a two thirds vote necessary. The question was moved. A vote was then taken on Mr. Cartier's ammendment. Since it was too hard to tell the results, Moderator Thomas asked for a standing vote. Yes:86 No:63 The article is ammended Debate is again open on the article itself. The way the article now reads is as follows: To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars and no cents (\$12,000.00) for the purpose of assigning and installing numbers for structures in the Town of Candia. The monies to be spent under the direction of the Candia Board of Sselectmen and the committee formed for this purpose. Placement of the identifying numbers shall be on existing mailbox posts or in the absense of a mailbox post, shall be installed by the Town on a delineator or on the house if visible. Discussion opened on the article once again. Linda Coleman then presented another ammendment to Article 15 to change the figure to One Thousand Dollars and no cents (\$1,000.00) and delete "and installing by the Town." The ammendment was seconded by Bruce Larson. Debate was then opened on the ammendment, after Mrs. Coleman spoke to the ammendment. Mr. Desilets made a motion to move the question. There was no objection. The motion being for Article 15 to read: To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars and no cents (\$1,000.00) for the purpose of assigning numbers for structures in the Town of Candia. The monies to be spent under the direction of the Candia Board of Selectmen and the committee formed for this purpose. Placement of the identifying numbers shall be on existing mailbox posts or in the absense of a mailbox post shall be installed on a delineator or on the house if visible. The ammendment was passed. The article once again was opened to debate. Mike Ipavec moved to put the article to a vote. An objection occured, therefore a two thirds vote was required. we moved to a vote on the article. A standing vote was called for: Yes:73 No:55, the article Passes.

Article 16. To see if the Town will vote to pave Currier Road from New Boston Road to Deerfield-Candia line approximately three quarters (3/4) of a mile at a cost, not to exceed Forty-Nine Thousand Dollars and no cents (\$49,000.00). Submitted by petition from the following registered voters in the Town of Candia:

Alfred W. Allen	Bill Stevens
Mary R. Allen	Pat Stevens
Judith Eaton	Marlene Davis
June Schwalb	Bill Davis
Debra Levesque	Howard Davis
James O'Brien	Joan Davis
Deborah Krimmer	

Motion was made by Mr. Allen to accept the article as read, and was seconded by James O'Brien. Mr. Allen then spoke to the article. Ron Severino clarified the work that would have to be done to the road. A question arose as to what portions of the road would be paved, since part of the road runs through the town of Deerfield. A lengthy discussion followed on the costs which would be required followed. Mr. St. Martin wished to amend the article as follows: To see if the Town will vote to raise and appropriate Ninety Five Thousand Dollars and no cents (\$95,000.00) to pave Currier Road from New Boston Road to the Deerfield-Candia line (approximately 3/4 of a mile) and to pave Currier Road from Podunk Road to Deerfield-Candia line (approximately 4/10 of a mile). The amendment was seconded by Charles Spaulding. There was a brief discussion on the amendment to the article, and when discussion was complete, the amendment was brought to a vote. The amendment was defeated. Debate on the article then resumed. Ron Severino also explained another option or alternative that could be used, which would be to tar Currier Road. Mr. House moved to move the article, since there was an objection from the floor the Moderator moved to a vote on the question. The vote was Yes. When Article 16 was voted upon, it was worded as follows: To see if the Town will vote to raise and appropriate \$49,000.00 to pave Currier Road from New Boston Road to the Deerfield-Candia line approximately 3/4 of a mile. The wording "to raise and appropriate" had to be added to the original warrant article to make it legal. Mr. Allen made a motion to change the article to the correct wording, and this was seconded by Mr. St. Martin. The vote on the amendment Passed. When put to a vote Article 16 Fails.

Article 17. We, the undersigned, in compliance with RSA 231:157 Scenic Roads; Designation and RSA 231:158 Effect of Designation as Scenic Roads, hereby petition to see if the Town of Candia will vote to designate Patten Hill Road (beginning at Main Street, traveling approximately 6/10 of a mile south-easterly up to and including The Audubon Society and Abe Emerson Marsh) as a Scenic Road for the purpose of prohibiting the removal of ornamental and shade trees in order to protect the natural scenic beauty and character of the Town of Candia. By petition of:

Les A. Cartier

Elwyn F. Hobbs

Russell G. Seward

David W. Hamlen

J.R. Hobbs

Mrs. Fitzpatrick made a motion that the Town of Candia vote to designate Patten Hill Road (beginning at Main Street traveling approximately 6/10 of a mile southeasterly up to and including The Audubon Society and Abe Emerson Marsh) as a Scenic Road for the purpose of prohibiting the removal of ornamental and shade trees in order to protect the natural scenic beauty and character of the Town of Candia. The article was seconded by Mr. House. Mrs. Fitzpatrick spoke to the article. The intent of the article is not to jeopardize the paving of the road, but rather to protect the trees which are along the road. The intent is to protect the scenic value of the road. Ron Severino discussed the type of road work as well as the meeting he had with the abutters, in which they had come to some mutual agreement regarding which trees should come down. The Scenic Road designation would not cause financial burden to the Town. Any portion of a road can be designated as a Scenic Road. Michael Ipavec requested the question be moved. There was an objection; so the question had to be moved to a vote. Vote on the question Passed. The vote on Article 17 followed, and the article Passed. Patten Hill Road is designated a Scenic Road.

Article 18. To see if the Town will vote to authorize the Planning Board and Zoning Board of Adjustment to appoint alternate members pursuant to RSA 673:6. Motion was made by Judith Szot and seconded by Daniel Jaskolka to accept the article as read. Mrs. Szot then spoke to the article. Mr. Coleman wished to make an amendment to the article on a legal basis, as the wording as it now stood was invalid. The amended article read To see if the Town will authorize the Planning Board and Zoning Board of Adjustment to provide for alternate members pursuant to RSA 673:6. This was seconded by Mr. Bowman. Mr. Coleman explained the change in wording. When put to a vote, the amendment passed. After brief discussion, Article 18 was put to a vote and Passed.

Article 19. To see if the Town will vote to authorize the Planning Board to prepare and amend a recommended program of municipal capital improvement projects in accordance with the provisions of RSA 674:5 and 674:8. Said program will classify projects according to their urgency and need for realization; will recommend a time sequence for their implementation; contain estimates of costs, possible revenues and source of existing and additional funds needed for each project. Motion was made by Roland Girard and seconded by Judy Szot. Mr. Girard then spoke to the article explaining that it authorizes the Planning Board to develop a capital improvement plan which is required before we have a permanent growth management ordinance. What we have now is only temporary. This program calls for the integration of many Town agencies. No one else wished to speak to the article, so it was moved to a vote. Article 19 Passes.

Article 20. To see if the Town will adopt an ordinance waving the fee to be charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for thirty days (30) or more while serving in a qualifying war or armed conflict as defined in RSA 72:28, IV, and who was honorably discharged, provided the person has provided the City or Town Clerk with satisfactory proof of these circumstances. Motion was made by Don Coleman and seconded by Mr. Hadley to accept the article as read. Mr. Coleman then spoke to the article, explaining which wars and armed conflicts would qualify. There was no further discussion on this article, and when put to a vote, Article 20 Passed.

Article 21. To see if the Town will vote to change the manner by which the position of Auditor is filled from election to authorizing the Board of Selectmen to employ a Certified Public Accountant to carefully examine the accounts of the Town of Candia pursuant to RSA 41:31-1. Motion was made by Don Coleman to accept the article as read, and seconded by Charles Bowman. Mr. Coleman then spoke to the article, explaining that the DRA had recommended that a professional CPA examine the books periodically. It would depend on what shape the books were in on how often their services would be required. A lengthy discussion ensued on the article, with many voicing the opinion that eliminating the present Town Auditors was not necessary. Mrs. Erving explained that it would be a good idea to have outside auditors, at least initially. She went on to point out that the majority of municipalities now use CPA's and have found them most valuable. The revenues of the Town have increased tremendously in the past year, and there is a real need for a professional to make sure our books are being properly kept. Mr. Hall stated that the three present auditors are unanimously opposed to this proposal. Betsy Krused made a motion to move the article to a vote. There was no objection. Article 21 Fails.

Article 22. To see if the Town is in favor of a Three year term (3) for the Town Clerk of Candia, term to begin in March of 1987. By petition of eleven registered voters:

Ruth A. Smith

Shirley L. Erving

Arthur Modis

Edward Weber

Susan Dixon

Diane D. LaCombe

Judith A. Szot

Bonnie H. DeStefano

Marion E. Beane

Ken Purington

Dorothy E. Vallee

Motion was made by Chris Dupere and seconded by Al Hall, to accept the article as read. Mr. Coleman then spoke to the article, explaining that the complexity of the job and the amount of time it takes to train a person is quite extensive. The term will add more continuity to the office. Mr. Bowman also spoke in favor of the article. There was no further discussion on the article, and Moderator Thomas explained the ground rules. Because of the RSA's, the article must be a vote by ballot. The motion is to see if the Town is in favor of a three year term for the Town Clerk of Candia. Yes: 84 No: 2, Article 22 Passes.

Article 23. To see if the Town is in favor of a Three year term (3) for the Treasurer of the Town of Candia, term to begin in March of 1988. The RSA's require that this article be a petition only, so this article is out of order. Mr. Coleman moved for indefinite postponement on the article, and Mr. Bowman seconded the motion. The article has been indefinitely postponed.

Article 24. To see if the Town is in favor of a Three year term (3) for the Tax Collector of the Town of Candia, term to begin in March of 1989. This article also has been ruled out of order due to a technicality. Mr. Coleman made a motion for indefinite postponement on the article, which was seconded by Mr. Bowman. Article 24 was indefinitely postponed.

Article 25. To see if the Town will adopt written Welfare Guidelines as approved by the Board of Selectmen. Chapter 380 of the New Hampshire Laws of 1985 requires the Town to adopt written Welfare Guidelines prior to April 1, 1986. (Copies of the proposed text of guidelines are on file with the Town Clerk.) Motion made by Charles Bowman and seconded by Don Coleman. Mr. Bowman then spoke to the article, stating that we must have these according to the Legislature. There was no discussion on the article, and when put to a vote, Article 25 Passed.

Article 26. To see if the Town will vote to adopt the provisions of RSA 72:37 for the exemption for the blind from property tax. This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00. Mr. Coleman made a motion to accept the article and was seconded by Mr. Bowman. Mr. Coleman then spoke to the article. After a brief discussion, the article was moved to a vote. Article 26 Passed.

Article 27. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other Governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 31:95-b. Motion was made by Don Coleman and seconded by Charles Bowman to accept the article as read. Mr. Coleman then spoke to the article stating that it was a standard one which is included every year. There was no discussion, and when put to a vote, Article 27 passes.

Article 28. To see if the Town will vote to authorize the Planning Board, pursuant to RSA 674:43 I, to review and approve or disapprove site plan for the development of tracts for non-residential uses or for multi-family dwelling units. It shall be the duty of the Town Clerk, pursuant to RSA 674:43 II to file with the Rockingham County Registry of Deeds, a certificate of notice showing that the Planning Board has been so authorized and giving the date of such authorization. Motion was made by Judith Szot and seconded by Roland Girard. Mrs. Szot then spoke to the motion, explaining the Planning Board needs this article in order to conform to the RSA's. This does not create a new zoning ordinance, but enforces the one which is already in place. This article gives the Planning Board authority to enforce the ordinances. Mr. Jaskolka made a motion to move the article, since there was no objection, the Moderator moved the article to a vote. Article 28 Passed.

Article 29. To see if the Town will vote to indemnify and save harmless any employee, or board member or officer of the Town for loss or damage to him or her while acting within the scope of his or her employment or office, all as provided in RSA 31:105. Mr. Coleman was recognized to move the article as read, seconded by Mr. Bowman. Mr. Coleman then spoke to the article stating that if people are working for the Town as employees or officers of the Town, as long as they are working within the scope of their job, they will be protected by the Town. In the event an employee is sued within the scope of his duties, the Town will back him up in terms of damages and legal expenses. This would serve as a back-up to liability insurance. There was no further discussion, and when moved to a vote, Article 29 Passes.

Article 30. To see if the Town will vote to accept that portion not already acted upon and raise the sum of Four Hundred Ninety-Seven Thousand One Hundred Dollars and no cents (\$497,100.00). Motion was made by Donald Coleman and seconded by Charles Bowman. Mr. Coleman then amended the article to change the figure to Five Hundred Twenty-Six Thousand One Hundred Dollars and no cents (\$526,100.00). Mr. Coleman stated that the difference was due to two figures that had not been included in the bottom line total of the budget: street numbering and firemen's equipment. Mr. Bowman seconded the amendment. There were several questions from the floor regarding how the figures are arrived at for the remainder of the budget. These questions were answered by Mr. Coleman, Mr. Snow, Mrs. DeStefano. There was no further discussion on the amendment to the article, and when moved to a vote, the amendment Passed. Discussion was then opened on the article. Mr. Claver wished to know about the increase in Town Office expenses. Mr. Coleman explained that the payroll is now on computer, there are two secretaries which has helped to increase the hours that the Selectmen's office is open, Town records from the various departments must be placed on microfilm, and money has been appropriated for training and seminars. The increase in the legal fees is mainly due to the Marier case, which is still pending, and legal resources must be used to continue to improve the capital improvement plan. Another question dealt with a shelter for dogs, which the animal control officer needs. We need some type of holding area if an agreement can't be made with the local kennel. Mr. Cartier wished to know why there was a Thousand dollars appropriate for Civil Defense, and wondered whether there was a problem we didn't know about. Mrs. Wilson, who is the Civil Defense Director replied stating that there had not been a Civil Defense Agency in the Town. If we spend \$1,000.00 on Civil Defense, we get \$500.00 back from the State. We get 50¢ back on every dollar we spend on Civil defense. Mrs. Wilson also added that she was hopeful that we would have space some day so that we could receive communications equipment which would be available to us. Mr. Coleman also was asked to explain the Police budget, the major increase being for a full time police chief. \$26,000.00 has been budgeted for this. Mr. Spinazola also spoke to the article, explaining that we presently have eight police officers. Seven are certified State of New Hampshire part-time police officers, one is a trainee at this time. The average week of seven days is 168 hours, about 66% coverage. Recommendations are one full-time police officer per 1000 people. Candia is a little behind as far as a full time police person goes. If the full time position was implemented, the coverage could increase up to 75-80% with the present size department we have. There was no further discussion on the article, so it was moved to a vote. Article 30 Passed.

Article 31. To see if the Town will vote to authorize the Town to accept such funds as are made available to the Candia Forest Fire Warden, under the Rural Development Act of 1972, Title VI. Motion was made by Don Coleman to accept the article as read, and seconded by Mr. Bowman. Mr. Coleman explained that it was a standard article that goes in every year. There was no discussion, and when moved to a vote, Article 31 Passed.

Article 32. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen to negotiate temporary loans in anticipation of taxes. Motion was made by Don Coleman and seconded by Charles Bowman. Mr. Coleman explained that this was also a standard article. A question by Mr. Cartier was ruled out of order. There was no further discussion, and the article was put to a vote. Article 32 Passed.

Article 33. To see if the Town will vote to accept such trust funds as have been received this past year. Motion was made by Mr. Coleman and seconded by Mr. Bowman. There was no discussion on article 33, and when moved to a vote, the article Passed.

Article 34. To see if the Town will vote to authorize the Selectmen to administer or dispose of by auction, any real estate acquired by the Town through Tax Collector's deed. Motion was made by Don Coleman and seconded by Mr. Bowman. Mr. Coleman states once again that this was a standard item. There also was no further discussion on the article, and when voted upon Article 34 was passed.

Article 35. To transact any other business that may legally come before said meeting. Mr. Coleman then read in the Auditor's Report for the Town of Candia: We have carefully examined the accounts of the Selectmen, Treasurer, Clerk, Collector of Taxes and such other officers or agents handling funds of the Town as of the close of business December 31, 1985. In our option, the same are correctly cast and well vouched. Auditors, Town of Candia

Richard Snow
Marion E. Beane
Albert Hall, III

March 10, 1986

Mrs. Wilson stated that she would no longer be serving as Rockingham County Commissioner, and wished to thank everyone for their support. Mr. Thomas entertained a resolution to thank Mrs. Wilson for her services to the County and the Town. Motion was made by Don Coleman and seconded by Mr. Belcourt to accept this resolution. It was unanimously passed. Also under this Article, the traditional positions of Viewer of Fences reported to the Town. Mrs. Young stated they built a fence and viewed that. The Scaler of Timber was not present to give his report. Nominations were taken from the floor. Those who already were in their positions were re-nominated. Mr. Thomson was recognized to make a motion to adjourn the meeting, and was seconded by Mr. Bowman. The meeting was adjourned at 12:54. Mrs. Szot then led the assembly in singing Happy Birthday to "The Older Mr. Coleman."

Respectfully submitted,

Christine Dupere, Town Clerk

SELECTMEN'S REPORT

1986 was a year of hard work and constructive progress for all of Candia's boards and committees. More residents have come forward to offer their time and labor, and as a result, we are pleased to report some important steps forward for our community.

After Town Meeting approval and subsequent months of work by a Selection Committee of citizens and officials, we welcomed to Candia our first full-time Police Chief; James A. Gatcomb. The Police Department has achieved a smooth transition, while responding to a steady increase of calls. A new Juvenile Diversion program has begun work with young offenders and their families.

To improve coverage and response time, we have appointed two Animal Control Officers; Terry Page and Raymond Rodier, Sr.

Both the Police and Animal Control are to be commended for their cooperation with surrounding towns in the performance of their official responsibilities.

Patten Hill Road was reconstructed and repaved from Main Street to the Abe Emerson Marsh. Hours of meetings with residents and experts were involved, to ensure that the neighborhood's rural, scenic quality was maintained. We continue to negotiate with the New Hampshire Highway Department, concerning the New Boston Road Bridge. As constant maintenance is required by an apparent design flaw.

We appreciate your patience with the recent problems at the Town Incinerator. Securing contracts for the removal of metal and glass is an ongoing challenge. Progress has been made to repair and upgrade the condition of the facility, and to comply with changing solid waste policies.

After considerable research, the Town Hall Committee has recommended the purchase of land on High Street and the construction of a new building for Town Offices and Police Station. Plans are being discussed at public hearings, with the final presentation and vote scheduled for the 1987 Town Meeting in March.

At Moore Park, the parking area was expanded and a second exit provided. Due to the efforts of the Candia Youth Athletic Association, a second ball field is completed and fencing is installed. The new picnic tables are the result of a special project by Eagle Scout, Donald Labbe.

We continue to enjoy a cooperative relationship with school officials. While we regretted the resignation of Principal Kathleen Murphy, we would like to take this opportunity to welcome the new Principal, Stephen Russell.

We would like to extend our best wishes to Candia's oldest resident, Nellie Fall, who became 100 years of age in 1986. Mrs. Fall is currently the custodian of the Boston Post Cane. This cane is meant for the eldest Town resident. Mrs. Fall was presented the cane February 28, 1980.

The Board of Selectmen appreciates the long hours so many people have contributed in 1986, and the heightened enthusiasm you have demonstrated for the quality of life in Candia. We welcome your involvement in Candia's town government.

Respectfully submitted,
Donald W. Coleman, Chairman
Board of Selectmen

TOWN CLERK'S REPORT

For the fiscal year January 1, 1986. to December 31, 1986

1986 Automobile Registrations	\$209,044.00
1986 Dog Licenses	1,975.50
1986 Dog Penalties	117.00
1986 Filing Fees	25.00
1986 Bad Check Fees	<u>100.00</u>
1986 Total Remitted to Treasurer	\$211,260.50

1986 was the first full year of the Municipal Agent Program in Candia. People have been pleased with the convenience of being able to obtain their decals for renewal registrations without having to go to a Motor Vehicle Substation. In 1986, I also became certified by the State of New Hampshire as a Boat Registration Agent. Boat owners are now able to register their water craft at the Town Clerk's office.

On January 2, 1987, the new plate issue for PASS and IPASS vehicles went into effect. Residents who are renewing their registrations may acquire their new graphic plates through my office. New registrations and transfers must still be completed at Motor Vehicle.

Town Clerk Office hours will continue to be as follows:

Monday and Friday from 9:00 to 12:00

Tuesday and Thursday from 6:00 to 8:00 in the evening

Wednesday afternoons from 1:00 to 4:00

For information please phone 483-5573.

Respectfully Submitted,
Christine Dupere
Town Clerk, Candia

REPORT OF THE CANDIA VOLUNTEER FIRE DEPARTMENT

The Candia Volunteer Fire Department responded to 113 calls in 1986. These responses are broken down as follows: 25 vehicular accidents, 15 mutual aid calls, 12 car fires, 11 brush fires, 10 chimney fires, 9 structure fires, 8 good intent calls, 5 fire alarm activities, 4 service calls, 4 wire fires, 3 smoke investigations, 3 drills, 2 tire pile fires, 1 dozer fire and 1 gas grill fire.

The Candia Volunteer Fire Department would like to take this opportunity to discuss Fire Prevention. Fire Prevention should start in the home. This can be accomplished with very little effort on the part of the homeowner, not only to protect the lives of the people we are responsible for (including yourself), but to protect the property that we work so hard for. First and foremost, properly install and maintain a SMOKE DETECTOR in each level of your home. Plan escape routes in case of a fire which the smoke detector will warn you and your family of; a successful plan of escape is only good if you and your family practice how and where to escape and where to meet. Instruct everyone in your family, that is able, how to summon emergency services, being sure to give the proper information: name, location and problem, slowly and clearly! Early notification is very important. Have fully charged and inspected, properly rated fire extinguishers available in case of any emergency for use after you have called the fire department, we don't mind checking an extinguished fire. Conduct periodic fire safety inspections of your property and correct any problems immediately. Please remember that fire prevention is everyone's full time responsibility. If anyone has any questions concerning smoke detectors, escape plans or fire safety checks please contact the Candia Volunteer Fire Department, and we will be more than happy to assist you in any way possible or provide you with the information you may require.

The officers and members of the Candia Volunteer Fire Department wish to express our sincerest thanks to the Candia Volunteer Firemen's Ladies Auxilory for their continuing support, again from all of us thank you very much.

The officers and members of the Candia Volunteer Fire Department wish to also express our grateful appreciation of the support shown us by the citizens of the Town of Candia in the past year. We look forward to your continued support and cooperation in the future.

Yours in Fire Prevention
Leonard R. Wilson, Fire Chief
James R. Wilson, President

REPORT OF CANDIA RESCUE

During 1986, Candia Rescue continued to provide quick response and care to victims of accidents and illnesses in Candia. 1986 saw many positive changes in the makeup of Candia Rescue which will increase our effectiveness in serving the Town of Candia. As Candia Rescue has been in existence for over 8 years, we are better able to update and purchase equipment and complete continuing education programs best suited to those calls which occur with some frequency in our town.

With the opening of the new 4 lane highway, we are pleased to report that the number of motor vehicle accidents and the number of injuries has declined. During 1986 Candia Rescue responded to 103 calls and treated 109 people. Of these calls, 33 were motor vehicle accidents and the remainder were for various medical emergencies.

Candia Rescue wishes to thank the Candia Police and Volunteer Fire Departments for their support and assistance. We have continued to enjoy an excellent working relationship with them as well as with the Raymond Ambulance Association.

The members of Candia Rescue would also like to thank the Town of Candia for your support and ask for your continued support in 1987.

Respectfully submitted,

Richard Fitts, President

Rudolph A. Cartier Jr., Secretary/Treasurer

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help out town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you become responsible for the timber tax payments starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1986

Number of Fires Statewide	840
Acres Burned Statewide	751
Cost of Suppression	\$275,956
Number of District 9 Fires	424
Acres Burned in District 9	215
Number of Fires in Candia	11
Acres Burned in Candia	6

INFORMATION NEEDED BEFORE ISSUING A FIRE PERMIT

1. What is going to be burned? Brush cannot exceed 5'' in diameter.
2. Where is it going to be burned? How far from nearest structure, trees and dead vegetation or overhead phone or power lines?
3. When do you want to burn? Date and time of day.
4. Is material to be burned, material resulting from the demolition of buildings? Air Pollution approval required.
5. What do you have for fire prevention?
6. How much help will you have during the burning?
7. Do you own the land where you plan to burn? If not, do you have the landowners approval?
8. If your fire is declared a nuisance, will you be able to extinguish same?
9. Are there any tires or tubes in the material to be burned? None are allowed.
10. NOTICE! permits issued during rain are void if the rain stops. You are required to extinguish your fire at that time.
11. Be sure your fire is completely and totally extinguished. A burned fire is not an extinguished fire.

TOWN OF CANDIA FORESTRY DEPARTMENT FOREST FIRE WARDENS

Forest Fire Warden	Leonard Wilson	483-2097
Deputy Fire Warden	Dean Young	483-8769
Deputy Fire Warden	Jim Wilson	483-2945
Deputy Fire Warden	Tom Seward	483-8146
Deputy Fire Warden	Ken Brock	483-2110
Deputy Fire Warden	Dick Weeks	483-8453
Deputy Fire Warden	Ron Severino	483-8796
Deputy Fire Warden	John Richter	483-5346

ANNUAL REPORT OF THE CANDIA POLICE DEPARTMENT

Since June 1, 1986 it has been my pleasure to serve as the Town's first full time Police Chief. Working with me to serve the Town are nine New Hampshire Certified part time Officers.

We have made some changes in the Department this year, one of the major changes is that Officer Wunderlich is serving as the Department Juvenile Officer. Part of her duties as the Juvenile Officer have allowed her to be instrumental in setting up a Court Diversion Program for dealing with juvenile offenders on a first offense basis. Other changes are there are now two identical cruisers and the new shoulder patch of which we are very proud.

The Police Department has had a very busy year. Our case load has increased approximately 28% over 1985. This is partly due to the dedication of the Officers of the Department and partly as a result of the Citizens of Candia being more aware of the suspicious activities in the town and reporting them to the dispatch. I would like to thank them for their assistance and look forward to their continued support in the coming years.

Our case load is broken down into the following areas:

Assist other Departments	147	Assist Fire Department	47
Alarms	100	Suspicious persons	41
Thefts	82	Reckless conduct	9
Domestic complaints	25	Juvenile complaints	34
MV Accidents	92	Security checks	20
MV Complaints	104	Littering	5
Arrests	29	Recovered property	12
Medical assists	65	Police information	23
OHRV Complaints	15	Road checks	12
Noise complaints	19	House calls	19
Animal complaints	33	Missing persons	12
Burglaries	48	Prowlers	2
Criminal mischief	76	Criminal threatening	2
Civil complaints	9	Lost property	5
Assaults	4	Criminal trespass	9
Robbery	1		
Total miles driven			82,463

I would like to take the opportunity to thank the other Town Departments, the Candia Rescue, neighboring Departments, the State Police, and the Sherriff's Department for their assistance throughout the year, without this mutual support, we of the Candia Police, would have a harder time servicing the community in the professional manner it deserves.

I would also like to thank the Civil Defense Department for purchasing a new portable radio for the Police Department and the additional training we have received through them in an effort to increase our effectiveness in the areas of communications and disaster preparedness.

Mostly I would like to thank the Officers of the Police Department for their support and help in making my transition to the Department as smooth as possible.

Again I am proud to serve the Town and look forward to many more years of service.

Respectfully submitted,

James A. Gatcomb, Chief
Candia Police Department

The SMYTH PUBLIC LIBRARY ASSOCIATION of CANDIA

P.O. Box 256 - High Street
Candia, NH 03034

Annual Report of the Library Association to the Town

The past year has again been a time of change for the library. Joyce Snow left the library in December, after more than 6 years of service as librarian and assistant librarian. She was replaced by Dr. Edward Cass, a former archivist for the West Point Military Academy and the Portsmouth, NH Athenaeum.

The Smyth Public Library is open twenty-five hours each week, during the following hours:

Tuesday	1:00 PM to 8:00 PM
Wednesday	1:00 PM to 8:00 PM
Thursday	1:00 PM to 5:00 PM
Friday	9:00 AM to 12:30 PM
Saturday	9:00 AM to 12:30 PM

The trustees are studying how and when to extend these hours in the coming year, to better serve the public.

Story hour for preschool children is held on Saturday mornings at 10:00 AM. Volunteers, to help with this program, are welcome and appreciated. Contact your librarian, Ed Cass, or the story hour coordinator, Carol Howe, at the library (483-8245). A special note of gratitude goes to the Friends of the Library for their continuing support and assistance to the library. Contact Mrs. Barbara Bowman of the Friends, if you want to help.

The following inventory and circulation figures for the last three years serve to highlight the direction of the use of the library and its growth. Total circulation has increased over 66% in the last ten years, from just under 9600 volumes in 1976 to over 16,000 volumes this year. Circulation showed a strong growth among the adult population last year, ending several years of decline, while the juvenile circulation continues to explode as more and more young families move into town.

Inventory	1984	1985	1986	Percent of Change (84-86)
Beginning Volumes	9179	9584	9826	
Added Volumes	442	497	488	
Withdrawn Volumes	37	255	114	
Ending Volumes	9584	9826	10200	+ 6.43
Circulation				
Adult	6823	6118	7622	+ 11.71
Juvenile	6048	6550	8522	+ 40.91
Totals	12841	12668	16144	+ 25.72
New Family Registrations	80	128	185	+ 231

From the beginning of 1984 thru the end of 1986, the total number of volumes available in the library has grown 6.5%, less than a desirable amount based on the increase in circulation. The size of the collection depends on the funds available to purchase materials and the room available to store it. With the price of books going up, you get less books for your dollar and with limited shelf space available, it becomes necessary to weed out less-used material.

The Smyth Public Library Association originated in 1888 'for the purpose of caring for and preserving the Library donated to said association by Ex-Gov. Smyth, for the use of the inhabitants of the Town of Candia, NH', and was chartered by the State of New Hampshire in 1933 as a private, not-for-profit corporation. The library's collection of books, reference material, and other educational material has been housed since 1935 in the present 1200 sq. ft. facility located at the intersection of High Street, South Road, and Healy Road. This handsome, colonial brick building was the gift of Marion Smyth, the widow of Ex-Governor Smyth. The basement of the building has since been converted from a coal cellar and furnace room to a public meeting room with funds donated in memory of C. Fred Bangs.

Next year, 1988, marks the 100th anniversary of the Smyth Public Library Association. From a room in the farmhouse of Frank Page to the Fitts Museum to the present building, the library has grown and become a vital force in the community. Your trustees are working to continue this tradition of service and to expand the library facilities and programs to meet the challenges of the future. To help in the task of raising the necessary funds to build an addition to the present building, Mrs. Francis Sargeant, prior to her death last year, donated 300 shares of stock, with a current value of over \$40,000, to the building fund. Many other citizens have also contributed to this cause, in many cases in memory of a friend or relative. A memorial plaque is on display at the library with the names of persons so honored. Donations can be made to the Smyth Public Library Building Fund at the library or at the Derry Bank and Trust Company in Candia.

The trustees and staff of the Smyth Public Library look forward to seeing you at the library in the coming months and welcome any suggestions on ways to better serve you.

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission offers a wide variety of services, resources and technical assistance to all towns that are dues-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective as well as which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.

Services that were performed for the Town of Candia during the past year are as follows:

1. Updated the town base map in the scale of 1" = 1000';
2. Provided the Planning Board with a suggested schedule for public notices and hearings pertaining to zoning and building code amendments;
3. Providing testimonies to the House and Senate committees of the 1986 session of the General Court on the HB 363, 349, 215, 174, 94 and 48; and SB 109, 117, 119, 215 and 110FN. These bills pertain to planning and zoning issues;
4. Prepared a report on school children multipliers for the region, including an analysis of findings for the Town of Candia;
5. Co-sponsored the Municipal Law Lecture Series, to which Candia officials were invited; and
6. Conducted a workshop on how to prepare a capital improvement program for any town. This was attended by officials of the Candia Planning Board.

Candia's Representatives to the Commission are:

Mr. Roland Girard

Vacant

Executive Committee Member:

Mr. Roland Girard

FITTS MUSEUM REPORT

Receipts:

Beginning Balance, December 31, 1985	\$1,330.35
Trust Fund	73.93
Interest Earned	70.07
Total Receipts	<u>\$1,474.35</u>

Disbursements:

Acid-Free Boxes, Envelopes and paper	\$ 134.87
Repairing and Painting Ceiling	142.80
D-Con	7.56
Repairing Picture	33.00
Vacuum Cleaner	89.70
Repairing Sign	100.00
Supplies-Paint for windows, stamps, etc.	40.00
Ditch for Electric Wire	384.00
Total Disbursements	<u>\$ 931.93</u>

Balance on Hand, December 31, 1986 \$ 542.42

The documents of the museum are in the process of being catalogued and placed in acid free folders and also placed in document cases to prevent any further deterioration. The book collection has also been catalogued.

The special programs this year were, Spinning and Weaving, Candia Artists Past and Present, Dolls and Teddy Bears, Coopering, Old Home Day-Military, Quilts-Old and New. These Programs were well attended.

The trustees wish to thank everyone who made the programs a success.

A Bow Back Winsor chair was given to the museum by Charles and Harriet Gordon and was dedicated in memory of Clara Thomas and Grace Foster, who were Trustees for over 25 years.

The cooper tools were cleaned, tagged and catalogued by Ron Raiseles, the Cooper at Strawberry Bank. This was paid for by Sis Richter from the Albert Richter Memorial Fund.

Your Museum is open from 2 to 5 P.M. every Saturday in July and August. We welcome all visitors.

Respectfully submitted,

Mary D. Stevens, Treasurer

VISITING NURSE ASSOCIATION OF MANCHESTER AND SOUTHERN NEW HAMPSHIRE, INC.

In 1987 the Visiting Nurse Association is beginning its 90th year of service to the Greater Manchester community. Our service area includes Manchester, Amherst, Auburn, Bedford, Candia, Goffstown, Hooksett, Litchfield, Londonderry, Milford, and Mont Vernon.

This year a full range of home health services have been provided to Candia and other residents including nursing care, physical, occupational and speech therapies, nutrition counseling and medical social services. Home Health Aide, Homemaker, and Companion Services, as well as Private Duty Nursing. Hospice care for the terminally ill and their families is also provided. Service is available everyday and 24 hours/day.

VNA is certified for Medicare and Medicaid payment and provides services for private payment as well. Fees are explained to our patients at the first visit to the home, and for those unable to pay the usual fees, adjustments can be made on an individual basis.

VNA Community Services, Inc. provides free Immunization Clinics for all ages groups every other month in Candia. Foot Care clinics are held monthly at our 194 Concord Street office by appointment and blood pressure checks are done weekdays from 1:30 to 4 PM. Occupational Health programs are provided to business and industries, as are Parent-Child Health Services which include the Teenage Pregnancy Program.

Town appropriations, grants, United Way allocation and donations are a vital part of the funds that help to defray the cost of unpaid service provided.

Representing the town of Candia is Janet Manter who serves on the VNA Board of Trustees.

Sincerely

Sarah Hubbard
Executive Director

REPORT OF THE ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

The Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit, anti-poverty agency which has served residents of Rockingham County since 1965. The Greater Raymond Community Action Center is an outreach office of RCCAP which serves the 15 towns in the central part of the county, including the town of Candia.

In the 15 towns served by the Greater Raymond Community Action Center, well over 1,200 households are experiencing financial problems serious enough to leave them without the means to provide for basic necessities. Of these, nearly 40% are elderly individuals or couples living on fixed incomes. The remaining 60% include the disabled, the underemployed, single parent families and the working poor. Regardless of their particular situations, all of these people are forced to seek outside assistance to meet their most essential needs.

Community Action plays an important role in meeting these needs by offering direct service programs as well as the help and guidance of our agency's staff. Of the major direct service programs offered by Community Action, the following were provided to eligible residents of Candia during the past year:

- 50 households received Fuel Assistance, a program which provides a financial grant of up to \$500.00 to assist with energy-related expenses.
- 3 homes were weatherized through the Weatherization Program, which provided quality materials and labor to weatherize homes in order to reduce heating costs and conserve energy.
- 14 children were provided meals from private day care homes which participate in our Rockingham Family Day Care Program.
- 17 women, infants and children received help through the WIC Program, which offers supplemental nutritious food and nutrition counseling to pregnant women, nursing mothers and children up to the age of 5 who are nutritionally at risk.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we received 197 calls or visits from Candia residents, many of which were crisis calls involving fuel and utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested church and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 3½ percent of the total dollar value of services provided during the previous fiscal year, which means that we request \$3.50 for every \$100.00 we provide in direct services.

From September 1, 1985 through August 31, 1986, Community Action provided \$43,138.00 in services to Candia residents. We are therefore requesting the town of Candia to contribute 3½ percent of this amount, or \$1,510.00. The town of Candia has contributed to our agency each year we have requested funds, and we extend our appreciation to you for your continued support.

Amy Mueller-Campbell
Director
Greater Raymond Community Action Center

Dear Citizens of Candia:

I am including the following information as a preface to the pages regarding the Vital Records for the past year in the Town of Candia. This is an attempt to clarify the confusion regarding the duties of the Town Clerk when recording and reporting Vital Records, (births, marriages, and deaths), for the Town Report. According to the Bureau of Vital Records of the State of New Hampshire, the Town Clerk is required to record only those which actually occur in his or her town.

For example, if a resident or non-resident dies in the Town of Candia, I must record that death, issue copies of the death certificate, and send a copy of the certificate to the State. However, if the person, even if he or she has been a life-long resident of Candia, dies in another town, then it is the responsibility of the clerk of that town to send me an informational copy of that death for my records, but she is the only person that may issue certified copies in that instance.

Many times, if the death occurs outside the Town of Candia, the clerk in the town of occurrence will send me that informational copy for my records. There are times, however, when this does not occur, and unless I am informed by a family member or another person who has knowledge of that death, I am unaware of it and the name will not appear in the Town Report. It is especially difficult to receive death reports when the person has died out of state.

I hope this information may help you better understand the situation, and I apologize if I have omitted someone in this year's Vital Records for the Town Report. If an omission has occurred, please contact me, and I will make certain that the information is included in next year's report.

Sincerely,

Christine Dupere
Town Clerk

LAMPREY HEALTH CARE

Lamprey Health Care (formerly the Newmarket Regional Health Center) marks its sixteenth year of providing services during 1987. Lamprey Health Care operates two medical offices, one in Newmarket and one in Raymond. Both facilities provide general medical care, preventive health services, community outreach, social services and short term counseling with referral to mental health agencies. Services also offered by Lamprey Health Care include Senior Citizen Transportation and Information & Referral Services for Rockingham County.

The change of name from Newmarket Regional Health Center to Lamprey Health Care was the result of a long and careful planning process. The word "Lamprey" was chosen because it brings a sense of history and indicates the wider geographic region we serve. "Health Care" was chosen because it best summarizes what we do and what we believe in.

Along with our new name, 1986 was a year of big changes for Lamprey Health Care. In January, the new Raymond facility opened on Route 27. The new 6,200 square foot facility allows Lamprey Health Care to provide more services in a spacious modern facility to the residents of the Raymond area. The Board and Staff of Lamprey Health Care are in the planning process for a new facility in Newmarket to replace the current one on Elm Street.

Paul Friedrichs, M.D., a Family Practitioner, joined the staff in June, as did John Mark Blowen, Family Nurse Practitioner. They join Edward Benoit, M.D. and Karen Brainard, M.D. - Family Practitioners, Cynthia Rasmussen, M.D. - Obstetrician/Gynecologist, Sarah Oxnard, M.D. - Pediatrician, Michael Lewis, P.A. - C., Barbara Janeway, A.R.N.P., and Anne Fawcett, A.R.P.N. to the medical team for Lamprey Health Care. In June of 1987, Micki Kantrowitz M.D., Family Practitioner, will join the staff. The addition of physicians in recent years allows Lamprey Health Care to serve the growing population of this area effectively.

Under the direction of Dr. Rasmussen, Lamprey Health Care offers a prenatal program which includes prenatal, delivery, and postpartum care. Other components of the program include nutritional counseling, prenatal classes and social service referral.

Lamprey Health Care continues to operate the Senior Citizen Transportation Program. In December of 1986, Lamprey Health Care purchased two new 18+ passenger busses to replace two busses with many miles and high maintenance costs. These two new busses were purchased in cooperation with COAST (the Cooperative Alliance for Seacoast Transportation) and are a welcome addition to our fleet of busses. Three of the five busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the means to needed services, including medical, food shopping and recreational trips. For further information, call 659-2424 or toll-free 1-800-582-7279.

In early 1987, a new medical information program will be available. Tel-Med is a taped library of "non-diagnostic" health information designed to provide basic facts about certain diseases, conditions or health issues. The library will contain 200 taped messages which can be accessed 24 hours/day, 7 day/week by residents with touch tone phones and Monday-Friday from 8am - 4pm by residents with rotary dial. The numbers to call to reach Tel-Med are 443-3232 and 433-3242, and 659-7514 and 659-7516. The Tel-Med Program is funded by the Foundation for Seacoast Health of Portsmouth. For more information about Tel-Med, call 659-3106.

Lamprey Health Care wishes to express its deepest appreciation for the support of the town of Candia.

Respectfully submitted,

Ann H. Peters
Executive Director

ROCKINGHAM CHILD AND FAMILY SERVICES — REPORT

Rockingham Child and Family Services is a private, non profit, social service agency that offers counseling services to family members experiencing problems that they are unable to effectively handle alone. Our revenues include fees charged; charitable contributions; fund raising events; and the support of the State, Rockingham County and the Towns of Rockingham County. The total of funding by the Towns representing approximately 30% of our operating budget. I have enclosed a copy of our 1987 operating budget for your review.

Rockingham Child and Family Services is available to all citizens of Rockingham County and in the past fiscal year provided approximately 3,000 hours of counseling. We counsel both private clients and clients referred to us from the welfare system, the police or the courts. The clients may be experiencing drug and alcohol abuse problems and marital family problems such as divorce and child abuse. The age range of our clients are from the very young to the elderly.

The majority of our clients cannot afford to pay the \$50.00 hourly counseling fee, that is why they come to our agency rather than a private counselor. We evaluate each client's financial position and adjust billing on a sliding scale of ability to pay. We do not refuse any client based on an inability to pay.

Last year we collected patient fees of approximately \$25,000.00 as compared to our costs of \$95,000.00. The deficiency is covered by various funding sources, one being funds from the various towns. We ask that the Town of Candia consider a \$500.00 contribution not only to offset the deficiency, but to help maintain the existence of the Rockingham Child and Family Services as a social service resource for your community.

Your continued support of Rockingham Child and Family Services will help maintain the agency for your community.

BUDGET 1986-1987

CIVIL DEFENSE REPORT

Our Town of Candia was very fortunate that we experienced no major emergencies during the year of 1986.

The New Hampshire Civil Defense Agency has located a portable generator for the use of the town in any emergency. The generator is stored at the Fire Station.

I was able to complete a course in Emergency Management Planning at the expense of N.H.C.D.A. In order that our Chief of Police could take advantage of this very informative 5 day course, as Civil Defense Director I issued a voucher for the expenses of a covering officer.

The balance of the Civil Defense Budget was used to purchase a portable radio for use in any emergency. The radio is being used by the Chief of Police and can be used to communicate with all emergency channels.

As Civil Defense Director I have been involved in updating the Emergency Management Plan for the Town of Candia which will be completed by the 1987 Town Meeting.

I thank you for giving me the privilege of serving as your Civil Defense Director and will, with the continued help of many people, continue to upgrade Emergency Preparedness Plans for all of the residents in the Town of Candia.

Helen F. Wilson
Civil Defense Director

REPORT OF THE CONSERVATION COMMISSION

The Candia Conservation Commission did not ask the Town for money again this year. The \$95. Dues to the N.H. Association of Conservation Commissions is paid through 1987.

Most of the action taken in 1986 was on Dredge and Fill Applications. Most of them were minor except for one that involved Raymond and Candia. Because the work on this case was done prior to filing an application and in a wetland, the party involved was fined \$1,000.00 and ordered to remove the fill that had been put in. We would like to remind everyone that is going to do any work near water or wetlands, to file a Dredge & Fill Application with the Town Clerk and not to begin any work until approval is granted by the State Wetland Board.

The Chairman of the C.C.C. attended two Field Days, one on logging test pits to determine Seasonal High Water Levels, and one on High Intensity Soil Mapping. Dr. Sander and the Chairman also attended an all day meeting sponsored by the E.P.A. on Wetlands.

Yours truly

Leonard B. Chace Sr.
Chairman C.C.C.

CANDIA SCHOOL DISTRICT

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT FOR ELECTION OF OFFICERS

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF CANDIA, NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Candia Moore School in said District, on the tenth day of March, 1987, at ten o'clock in the morning, to act upon the following articles:

1. To elect a Moderator for the ensuing year.
2. To elect a Clerk for the ensuing year.
3. To elect a Treasurer for the ensuing year.
4. To elect an Auditor for the two years.
5. To elect two members of the School Board for the ensuing three years.

The polls will remain open from ten o'clock in the forenoon until seven o'clock in the afternoon and as much longer thereafter as the voters of the school district, at the beginning of the meeting, may vote.

Given under our hands and seal this 10th day of February, 1987.

SCHOOL BOARD OF
CANDIA, NEW HAMPSHIRE

Richard Robidoux, Chairman

CANDIA SCHOOL BOARD REPORT FOR 1985/86 SCHOOL YEAR

The 1985/1986 school year for the Moore school in Candia was a year of change, growth, and accomodation.

At the School District meeting in March, the voters approved a proposal for a five-room addition to the school. The project was constructed over the summer with minimal disturbance to the usual athletic activities. In the months of September and October, the fourth, fifth and sixth grades were temporarily housed in the library and the portable classroom. The addition was completed by the end of October. The added space allowed us to bring the art program to full time and to return the music program to the previous music room. The Board would like to thank the staff for maintaining morale and high academic standards during this inconvenience.

During the summer the Board oversaw the expansion of the athletic fields using the funds provided by the Augenblick plan. The work will double the previous facilities and provide two ball fields for school and town use.

The Moore School welcomed a new principal and a new assistant principal this year. Mr. Stephen Russell was chosen as Candia's new principal and Ms. Kathy Cuddy-Egbert was chosen as the new assistant principal. We feel very fortunate to have found such qualified administrators. Several new teachers were added to staff the expanded first and second grades. The School Board has taken an active part in the selection of the new staff and we feel that they represent a good variety of experience and talent. We also bid farewell said to other experienced and respected staff and administrators.

The Chapter One program this year had two certified teachers, one in Math and one in Reading. The Challenge program was expanded to involve all students. The computer curriculum was improved with the addition of a coordinator-teacher and additional computers and software.

This year, the Long Range Planning Committee has upgraded the census and began work on Long Range Educational Objectives and land acquisition. The Candia Jr. Womens Club conducted a very thorough survey of current pre-school population which indicates that the school population will rise to at least 577 in the next five years. This represents an increase of 100 student (20%) or 5 additional classrooms. The school will reach capacity within three years. The School population stood at 475 in October of '86 as compared to 451 the previous year. This planning process is important for a reational, effective, efficient, and economical response to the pressures of growth. More citizen imput will be required this year to outline the future of our school.

The curriculum committee continued its important work this year. We used Special Augenblick funds to purchase an updated reading series and related materials for grades R though six as well as new math textbooks and manipulative materials for grades R through eight. The curriculum committee work included a review of the present Language Arts program which resulted in the purchase of an updated and more comprehensive English textbook series. The committee has also revised the Social Studies curriculum. The special emphasis this year will be on updating the Health program.

The policy committee continued to revise and add new school policies. A classified employee pay scale was adopted along with a comprehensive bus transportation policy. School security and school use policies are under construction along with many other policy revisions or modifications.

The Board was very fortunate to receive funds donated by the Candia Grange for use as scholarship gifts for Candia high school students planning on furthering their education. The awards will be made in June. The Board wishes to extend its gratitude to the Candia Grange for the funds.

The Board is very proud of our school. We feel that the many changes this year have improved the quality of education, raised the morale of the staff, and enhanced the environment for learning. We look forward to a continued positive relationship with the town, staff, and administration in our common goal of educating the children of Candia. We would also like to thank the town for its continued support.

Respectfully submitted,

Richard M. Robidoux, *Chairman*

Roger Leavitt, *Vice Chairman*

Robert Claver

Caryl Jarres

Joan Tancrede

SUPERINTENDENT'S REPORT

The Candia Moore School administrative staff has had major changes this past year, with the resignations of Principal Kathleen Murphy and Assistant Principal Jane Bergeron. I would like to extend belated appreciation to these individuals for their dedicated service to the Moore School. We welcomed Principal Stephen Russell and Assistant Principal Kathleen Cuddy-Egbert as a new team. They are both taking on their numerous responsibilities with enthusiasm, and their first priority is the well being of all students.

At the March 1986 Candia School District Meeting the voters approved funding for a five room classroom addition which was sorely needed. The town of Candia is growing at an escalated rate, which especially affects the education of students. In order to alleviate many of the problems that will occur as a result of this growth, it is most essential to plan appropriately in advance.

The Candia Long Range Planning Committee was formed to review the long range needs of the school. This committee, with Mr. Robert Claver as chairman, is composed of representatives of the School Board, the community, and the administration. The members have held several meetings and should be commended for the number of hours spend working to plan for the future educational needs of the district.

The Candia Policy Manual is being thoroughly reviewed by the Candia Policy Committee, who are meeting regularly to upgrade this book.

Securing and paying for adequate liability insurance has been a problem facing the Candia School District, the same as it has been for schools and municipalities across the country. The cost has escalated drastically over the past two years.

The Candia School District continued its effort in 1985-86 to bring out-of-district placed Special Needs students back to Candia by creating the L.I.F.E. (Learning Independence From Essentials) Program. This experimental program, designed for younger children who need a highly structured setting with a strong behavioral component, served four students during its first year, three of whom came from other school districts. It has been successfully continued to the following school year with an increased enrollment.

The SAU #15 of Auburn, Candia, Hooksett and Raymond has gone through a painstaking process in the division of Raymond's withdrawal from the SAU #15 to their own SAU #33. This division became effective as of July 1, 1986. Both the school boards and the administration of all four districts have worked diligently to provide a smooth transition for all districts concerned. The completion of this reorganization will be June 30, 1987.

I wish to thank the Candia School Board members, citizens of the community, administration, and all staff at the Candia Moore School for their cooperation and support throughout the past school year.

Respectfully submitted,
David R. Carley
Superintendent of Schools

PRINCIPAL'S REPORT — 1985-1986

The 1985-86 school year at the Henry W. Moore School can be viewed as the year of many changes. The major emphasis focused on programs and curriculum affecting the entire student body. These changes would never have been possible without the expertise of staff, assistance from the community and the endorsement from the parents, students and School Board members.

This year at the Moore School a number of students were given a pre-school screening in order to provide a placement suitable to meet their needs and for the first time a Readiness Program was implemented. Due to increased enrollment, a readiness class and a half was provided to ensure proper placement of incoming students.

An Art Program under the direction of Ms. Diane Baroody was also established enabling the school district to meet another State Board of Education recommendation and to enhance the school curriculum. The program ran 3 days a week for students in grades 2-8. It is expected that a full time program will begin in the Fall of 1986 to meet the needs of the entire student body, readiness through eighth grade.

Due to excess revenues from the Augenblick Formula, Candia received additional monies from the State. With these funds the Curriculum Committee became extremely busy reviewing new texts in the areas of Math, English and Reading. To say that the staff was delighted is an understatement. It was like Christmas in October. As staff piloted new texts in their classrooms, various committee members received the texts using the instrument designed by the School Board to aid in the selection process. By the end of the school year, new texts were ordered in the three major areas and the library increased its collection along with new media equipment.

As part of the Curriculum Review process, Social Studies was targeted to undergo revision. Under the direction of Ms. Nancy Fuller, a block grant was written to gain additional funds for the Social Studies review process. During the course of the year several in-service workshops were held along with a revised curriculum in Social Studies grades R-8. New texts have been reviewed along with auxiliary materials to be purchased during the 1986-87 school year. The committee is to be commended for their efforts and interest in the Social Studies Curriculum.

School should provide the least restrictive environment for educating children and there is little doubt that the Moore School provides this direction. Under the very astute direction of Ms. Jane Bergeron, there are a variety of services available. L.I.F.E. Program (Learning Independence From Essentials). The newly developed self-contained special needs program called L.I.F.E. has had a successful year with an enrollment of four students. All these youngsters responded well to the transition to public school and have made gains in all areas of development, socially, emotionally and academically. The program and the students have been a welcome addition to the Moore Elementary School and great strides in mainstreaming have been made.

The Learning Lab (Grades 5-8) serviced 23 handicapped students and was staffed by one teacher and two full time aides. The Resource Room (Grades R-4) serviced 30 educationally handicapped students and was staffed by one teacher, two full time aides and a part time aide. As well as servicing the students, the specialists acted as consultants to teachers and parents providing methods, materials and strategies to utilize with the special needs students. This proved to be a very successful way to deal with the large number of students who need varying amounts of special programming or classroom modifications.

Along with special education rooms, students were provided support in occupational therapy, speech and language, guidance and testing services. Several other direct service areas were afforded to the students. The Reading Supervisor supported students with both large group and small group instruction. Throughout the year, students have been involved with programs such as "I Love To Read and Write", Paperback Book exchanges, Reading in Peace and visits from acclaimed storytellers.

The Challenge Program has also afforded, to a portion of youngsters, an opportunity to be involved in enriching and stimulating activities both in the classroom and outside. Students hosted guest speakers, visited various institutions reinforcing their particular course of study.

The Chapter I Federally Funded Program provided remediation to students in Math and Reading. Mrs. Elizabeth Woodbury is the Coordinator for this program and under her leadership, students are provided a multitude of activities to help students reach their academic potential.

The Athletic Program under the very able direction of Mr. Edward Sides is well attended throughout the year. The program is two-fold: a varsity team is available in soccer, boys and girls basketball, baseball and softball, an intermural program also provided much after-school activity for the students. During the year, the Girl's Basketball team and Boy's Baseball team were extremely successful bringing home several trophies to display at the school. All the coaches are to be commended for their efforts and dedication to the athletic program.

The Moore School continues to benefit from a very active P.T.O. Mrs. Linda Croteau as President and the entire membership were dedicated to providing viable and worthwhile programs for the children. A satellite of the P.T.O. was the Parent Volunteer Program. Parents and community members volunteered over 700 hours at the Moore School. Clerical tasks, assisting teachers with making materials, one-on-one reinforcement and daily attendance are just a few of the tasks this group took on. My sincere thanks to Mrs. Leslie Fleming and Mrs. Bonnie Woodman for coordinating the volunteer program.

Finally, no school is complete without a Food Service Program. Mrs. Arlene Richter continues to run a hot lunch program in the black and still provide students with nutritious lunches.

In closing, I want to thank the entire faculty and support staff for their dedication. The staff at the Moore School takes pride in their work and the community should look proudly upon their efforts.

My two years at the Moore School have been extremely exciting and fulfilling. I will always look back to remember many fond memories of the students.

To Mrs. Thomson, Mrs. Swain and Mrs. Currier, my sincere thanks for your loyalty, knowledge and spirit during the daily operation of the school office.

As Assistant Principal and Special Education Coordinator, no one could ask for a more dedicated worker than Ms. Jane Bergeron. I truly thank her for all her efforts.

Parents, faculty and community, I thank you all for allowing me to serve as your School Principal during the last two years.

Respectfully,
Kathleen A. Murphy

This year the addition of a new Audiometer-Typanometer made possible the identification of ear problems not formerly found with an audiometer alone. The new equipment was purchased by the Sander Fund, the Lioness Club and the Moore School P. T. O. The purchase of an accompanying printer was approved by the School Board; the printer allows for reports to doctors when referrals are made.

Respectfully submitted,
Ethel M. Partan, R.N.
School Nurse

ANNUAL SCHOOL DISTRICT MEETING

MARCH 7, 1986

The Annual School District Meeting of the Town of Candia, New Hampshire was called to order at 7:05 PM by Moderator A. Ronald Thomas, on March 7, 1986, in the Candia Moore School Auditorium. The meeting was opened by Mr. Thomas, who for the information of the persons assembled, stated the ground rules governing the meeting. Persons who are not registered voters in the Town of Candia, but will be allowed to speak to the public are as follows: Superintendent David Cawley, Assistant Superintendent Carl Batchelder, Assistant Superintendent Ken Severenson, Attorney Robert Leslie, Moore School Principal Kathleen Murphy, and Moore School Assistant Principal Jan Bergeron.

Article 1. To see if the District will vote to raise and appropriate a sum of money up to Three Hundred Fifty Thousand (\$350,000.00) Dollars for constructing an addition to the Moore School and for the purchase of equipment of a lasting character in connection therewith; to determine whether all or a portion of such appropriation shall be raised by borrowing or otherwise; to authorize the School Board to spend any income derived from the temporary investment of bond or note proceeds for the project; or to take any other action relative thereto. Motion was made by Richard Robidoux: "I move that the District appropriate the sum of \$350,000.00 for constructing an addition to the Moore School and for the purchase of equipment of a lasting character in connection therewith; that to raise this appropriation the School Board is authorized to borrow \$350,000.00 under the Municipal Finance Act; that any income derived from the temporary investment of bond or note proceeds shall be spent for the project in addition to the foregoing appropriation; and that the School Board is authorized to take all other action necessary to carry out the project." The motion was seconded by Roger Leavitt. After detailed presentations by Mr. Robidoux, Mr. Leavitt, and Mr. Claver, assisted by Mrs. Murphy, Moderator Thomas opened the article to discussion from the floor. When all discussion had been completed, Moderator Thomas then asked the assembly if they were ready for a vote. An explanation of the procedure used for the Bond Issue vote then ensued. Verification that the ballot box was empty as well as preparation of the ballot clerks was achieved by a three minute recess called by Mr. Thomas. At the close of the recess, Moderator Thomas then re-read Article 1: To see if the District will vote to raise and appropriate a sum of money up to Three Hundred Fifty Thousand Dollars (\$350,000.00) for constructing an addition to the Moore School and for the purchase of equipment of a lasting character in connection therewith; to determine whether all or a portion of such appropriation shall be raised by borrowing or otherwise; to authorize the School Board to spend any income derived from the temporary investment of bond or note proceeds for the project; or to take any other action relative thereto. If you vote yes, you are voting in favor of this article, if you vote no you are opposed. A two-thirds vote carries. The polls were declared open by Moderator Thomas at 8:03 PM. Mr. Thomas explained to those present that State law requires that

the polls will remain open for one hour total. While waiting for this hour time frame to elapse, and the majority of those present having voted, the School District Meeting was continued.

Consideration of Article 2 will be postponed till the results of the balloting are known, since Article 2 becomes moot if Article 1 fails. Since there was no objection, the Meeting then moved on to Article 3.

Article 3. To hear the reports of agents, auditors, committees or officers of the District. Motion was made by Caryl Jarres, "I move that the reports of the agents, auditors, committees, and/or officers of the Candia School District as set forth in the annual report of the District be accepted and placed on file." The motion was seconded by Richard Robidoux. There was no discussion on the article, and when put to a vote, Article 3 was passed.

Article 4. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the State, Federal, or other government unit or a private source which becomes available during the 1986-87 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money and that such expenditure not require the expenditure of other school district funds. Further, that the School Board hold a public hearing prior to accepting and spending such money. Motion was made by Sandra Minnick, "I move that the District vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other government unit or a private source which becomes available during the 1986-87 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money and that such expenditure not require the expenditure of other school district funds. Further, that the School Board hold a public hearing prior to accepting and spending such money." Motion was seconded by Caryl Jarres. There was no discussion on the article, and when put to a vote, Article 4 was passed.

Article 5. To see if the District will vote to authorize the School Board to furnish, free of charge, high school transportation to Candia students attending high schools with which the District has a contract under RSA 194:33. Motion was made by Bob Claver, "I move that the District vote to authorize the School Board to furnish, free of charge, high school transportation to Candia students attending high schools with which the District has contracted under RSA:22." The motion was seconded by Dick Robidoux. A lengthy discussion on Article 5 was interrupted by Moderator Ron Thomas, to ask whether there was anyone present who had still not voted, and since there was no one, Mr. Thomas declared the polls closed on Article 1 at 9:05 PM. The ballots were then counted, while discussion on Article 5 was resumed. When discussion on Article 5 was completed, the Moderator moved to a vote. Since the vote, while the assembly was seated, was too close to call, the Moderator asked for a standing vote. Yes—49, No—55; Article 5 Fails.

Article 6. To see if the District will vote to raise and appropriate the sum of Six Hundred Thousand Six Hundred Sixty-Three and 00/100 (\$600,663.00) Dollars to fund all cost items relating to teachers' salaries and benefits for the 1986-87 school year. One Hundred Twenty Seven Thousand Ninety-Five and 00/100 (\$127,095.00) Dollars of such sum representing additional salaries and benefits attributable to the increase in salaries and benefits over those obligations payable under the previous year of the Collective Bargaining Agreement entered into by the School Board and the Candia Federation of Teachers. (This is the first year of a three-year contract.) Motion was made by Robert Claver, "I move that the District raise and appropriate the sum of \$600,663.00 to fund all cost items relating to teacher salaries and benefits for the 1986-87 school year; \$127,095.00 of such sum representing additional salaries and benefits attributable to the increase in salaries and benefits over those obligations payable under the previous year of the Collective Bargaining Agreement, this being the first year of a new three-year contract." The motion was seconded by Sandy Minnick. Discussion of the article followed. When debate on the article had been completed, Moderator Thomas moved to a vote.

However, before a vote on Article 6 was taken, the results of the vote on Article 1, the Bond Issue, had been counted. Results are as follows: There were 151 votes cast, Yes—120, No—31; Article 1 was passed.

Moderator Thomas then moved to a vote on Article 6. Article 6 passes.

A motion to recall Article 2, which had been postponed till the results of the first article were known, was then made from the floor.

Article 2. To see if the District will vote to direct the School Board to expend whatever surplus the District may have in the 1985-86 school fiscal year for the purpose of constructing an addition to the Moore School. Such vote to become null and void in the event that warrant Article No. 1 is not adopted by the District. Mr. Claver was then recognized for the purposes of making a motion: "I move that the District vote to direct the School Board to expend whatever surplus the District may have in the 1985-86 school fiscal year, for the purpose of constructing an addition to the Moore School. This vote to become null and void in the event that Warrant Article No. 1 is not adopted by the District." The motion was seconded by Roger Leavitt. Discussion then ensued on Article 2. When all who wished to had spoken to the article, Mr. Thomas then moved to a vote. Article 2 was passed.

Article 7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the District. Caryl Jarres was recognized for the purposes of a motion: "I move that the District raise and appropriate \$1,658,211.00 for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory

obligations of the District." Roger Leavitt seconded the motion. Mrs. Jarres then was recognized to speak to the motion. Russ Dann then made a motion to increase the amount of the article to \$1,721,211.00, so Article 7 would read as follows with the new amendment: "That the District raise and appropriate the sum of \$1,721,211.00 for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligation of the District." This motion was seconded by Joseph Sveira. After discussion, the vote on the amendment to Article 7 was taken, and the amendment was passed. Article 7, which now read: That the District raise and appropriate the sum of \$1,721,211.00 for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligation of the District. The amended article was debated, and after no further discussion, Article 7 was put to a vote and passed.

The chair then recognized Sandra Minnick for the purpose of a motion, "I move that the meeting be adjourned." The motion was seconded by Caryl Jarres. The motion passed, and the meeting was adjourned at 10:10 PM.

Respectfully submitted,
Christine Dupere
School District Clerk
Candia, New Hampshire

BURNING REGULATIONS

State of New Hampshire

IN CASE OF FIREPhone 483-2311

Written permits must be obtained from the Forest Fire Warden for all open fires at all times, when the ground is not completely covered with snow

Permits will not be issued for the kindling of open fires between the hours of 9:00 A.M. and 5:00 P.M., unless raining and the Forest Fire Warden is notified and grants permission to burn in the rain.

Permits for grass, brush, campfires, etc., must be obtained on the day the burning is to be done

Permits for screened incinerators and properly constructed outdoor fireplaces may be obtained for the season

There is no charge for permits which may be obtained from the Candia Forest Fire Warden or a Deputy Forest Fire Warden. Permits may be obtained between the hours of 3:00 P.M. and 7:00 P.M. on the day the burning is to be done

All fires seen and reported by the fire lookout tower are checked with these permits and any person found to be burning without first obtaining a permit are subject to a fine up to \$200

Any person found to be burning after being refused a permit because of unsuitable weather is subject to a fine up to \$500

These regulations are set up by the State of New Hampshire Forestry and Recreation Department and the Town of Candia Forest Fire Department

Remember, Only You Can Prevent Forest Fires!
Thank you for your cooperation
