

# CANDIA 2026

## Come shape Candia's next decade!

Where are we now? Where are we going? Where do we want to go? How do we get there?

The Community Profile is a year-long initiative to gather ideas about the future of Candia in order to plan for the future. Information will be used by our town leaders and for the Candia Master Plan. You can share your ideas through community engagement activities, participating in the Community Profile event and joining an Action Committee.

### SHARE YOUR IDEAS: February & March 2016

The Candia Community Profile Steering Committee is working to collect information-- we want to hear from YOU! From posters around town, to a youth art project, conversations with seniors and information tables at upcoming elections, we are excited for everyone to participate!
