

APPENDIX I: A

INSTRUCTIONS TO APPLICANTS APPEALING TO THE BOARD OF ADJUSTMENT

IMPORTANT: READ CAREFULLY BEFORE FILLING OUT ATTACHED APPLICATIONS

*The Board strongly recommends that, before making any appeal, you become familiar with the Zoning Ordinance, and also with the New Hampshire Statutes, Title LXIV, RSA Chapters 672 – 677, covering planning and zoning. Three types of appeal can be made to the Zoning Board of Adjustment:

VARIANCE -A WAIVER OR RELAXATION OF A PARTICULAR REQUIREMENT OF THE ZONING ORDINANCE.

1. The variance will not be contrary to the public interest.
2. The spirit of the ordinance is observed.
3. Substantial justice is done.
4. The values of surrounding properties are not diminished; and
5. Literal enforcement of the provisions of the ordinance would result in an unnecessary hardship.

**(Criteria 1 through 5 replaced with new version RSA 674:33 -2010)*

APPEAL FROM AN ADMINISTRATIVE DECISION:

If you have been denied a building permit or are affected by some other decision regarding the administration of the Candia Zoning Ordinance, and you believe that the decision was made in error under the provisions of the ordinance, you may appeal the decision to the Zoning Board of Adjustment. The appeal will be granted if you can show that the decision was indeed made in error.

Appeals to the Zoning Board of Adjustment from administrative decisions pertaining to the Zoning Ordinance must be made within 30 days of the date of the decision, and a copy of that decision appealed from must be attached to your application.

SPECIAL EXCEPTION:

Certain sections of the Zoning Ordinance provide that a particular use of property in a particular zone will be permitted by special exception if specified conditions are met. The necessary conditions for each special exception are given in the Ordinance. Your appeal will be granted if you can show that all the conditions stated in the Ordinance are met.

If you are applying for a Special Exception, you will probably also need a site plan or subdivision approval, or both, from the Planning Board. However, even if no Planning Board approval is needed, you must still include a plot plan with your application. Plans shall be drawn to scale, showing the location and dimensions of the lot, existing and proposed buildings and other structures and parking spaces, traffic access and circulation drives, open space, landscaping and other such information as may be necessary in order for the Board to make a decision.

APPENDIX I: A

PROCEDURE:

The Board meets and holds public hearings on the fourth Tuesday of every month. To ensure that your appeal may be heard by the Board at its next regularly scheduled meeting, your completed application (including all exhibits and lists of abutters) must be received at least 30 days before the date of the next meeting. If your completed application is received less than 30 days before the Board's next meeting, the hearing on your appeal may be delayed until the following month's regularly scheduled meeting.

After you have submitted your application, accompanied by all other forms and paid the necessary fees, a public hearing will be scheduled. Public notice of the hearing will be printed in a newspaper of general circulation within the town, posted outside the Selectmen's office and mailed to you and to all abutters by certified mail at least 10 days before the date of the scheduled hearing. You and all other parties will be invited to appear in person or by agent or counsel to state reasons why the appeal should or should not be granted.

After the public hearing, the Board will reach a decision. You and all other parties to the case will be sent a notice of decision.

If you believe the Board's decision is wrong, you have the right to appeal. The motion for rehearing must be received within 30 days of the Board's decision. The motion for rehearing made in the form of a letter must set forth all the grounds by which you claim the decision is unlawful or unreasonable. The Board may grant such a rehearing if, in its opinion, good reason is stated in the motion. Whether or not a rehearing is held, you must have first requested one before you can appeal to the courts. When a rehearing is held, the same procedure is followed as for the first hearing, including public notice and notice to the abutters. See RSA Chapter 677 for more detail on rehearing and appeal procedures.

If your appeal is approved by the Board, you will have 2 years to implement the use permitted by your variance or special exception. If you have not undertaken the use granted by a variance or special exception within 2 years, your variance or special exception will expire.

*If you are applying for a variance, you must first have some form of determination that your proposed use is not permitted without a variance. Most often, this determination is a denial of a building permit. A copy of the determination or denial must be attached to your application.
