Memo

To: Carleton Robie
Town of Candia BOS

From: Rene LaBranche - Stantec
Auburn, NH

File: Ash Landfill

Date: August 19, 2014

Reference: Candia Ash Landfill

We were recently contacted by Casella Organics regarding utilizing their short paper fiber (SPF) product in lieu of the soil barrier layer (18" clay layer) and a mixture of the SPF and sand or loam in place of topsoil on the ash landfill project. Some information that should be considered:

1. The SPF is delivered to the site for free and there is no charge for the material either.
2. SPF is approved by NHDES.
3. SPF meets the permeability specification for the soil barrier material.
4. Utilizing the SPF in lieu of imported clay soil barrier material will reduce the project cost by around \$10,000.
5. Utilizing the SPF/topsoil mixture, called manufactured topsoil will reduce project costs by around \$ 14,000.

Attached is information provided by Casella Organics including a letter to Stantec dated 8-8-14, Best Management Practices by Casella, an informational sheet on the manufactured topsoil and information on "FiberClay" also called SPF for review.

To effectively add the use of the SPF and manufactured topsoil into this project it can be done by addendum. Casella is suggesting that the Town deal directly with Casella to save project costs.

Please call with any questions.

Thanks.

RE: 2015-2016 Legislative Policy Conference ~ Friday, September 26, 2014

Floor Proposals and Legislative Principles

Enclosed please find a copy of the nine floor policy proposals that have been submitted for discussion and vote at the NHMA Legislative Policy Conference. These floor policies supplement the policy recommendations prepared by the three legislative policy committees, which were mailed to each municipality on June 17, 2014. In addition to the policy recommendations and the floor proposals, delegates at the conference will vote on NHMA's Legislative Principles, which also were included in the June 17 mailing. If you need copies of any of these documents, you can find them on the NHMA website, www.nhmunicipal.org. (Near the top of the home page, click on the "Advocacy" tab, then use the menu on the left to find "Legislative Principles," "2015-2016 Legislative Policy Recommendations," and "2015-2016 Floor Policies.")

Voting Delegate

Each member municipality has one vote at the Policy Conference. Each governing body is asked to appoint a voting delegate to cast the municipality's vote on the policy proposals presented. **We are sending a pre-stamped voting delegate card to the chief administrative officer in each municipality (or the governing body chair if no administrative staff) to return to us indicating the governing body's appointment for voting delegate.** Please mail this card back to us no later than Wednesday, September 17. See the Legislative Policy Process Questions & Answers document, also sent with the June 17 mailing and available on the NHMA website, for a description of who will have voting privileges for a municipality in the absence of any formal designation.

Policy Conference

The Legislative Policy Conference is scheduled for **Friday, September 26, 2014 at 9:00 a.m.** at **NHMA's offices at 25 Triangle Park Drive** in Concord.

We urge the governing body of each municipality to discuss the full slate of policy recommendations, along with these floor proposals, and to take a position on each proposal to give guidance to your voting delegate. Otherwise, your voting delegate is free to vote at the Policy Conference as he/she desires! At the conference, delegates may vote to approve, reject, amend, or table a policy proposal. They may also vote to change the order of priority of the various policies.

This is an important opportunity for each member municipality to participate in determining NHMA legislative policy for the 2015-2016 biennium—we count on your input! As always, please do not hesitate to call or e-mail (governmentaffairs@nhlge.org) the Government Affairs Staff with any questions, comments, or concerns. We look forward to seeing you on September 26th!
