Re: Second Candia Representative to the  
Southern New Hampshire Planning Commission  
Board of Commissioners

Dear Board of Selectmen:

The Town of Candia has two positions available on the Southern New Hampshire Planning Commission (SNHPC) Board of Commissioners. Recently long-time representative Bill Stergios decided not to continue, leaving Al Hall as our only representative. The Planning Board advertised the open position at several locations in Town and on the Town web site.

At the Planning Board meeting on August 17, 2016, Richard H. Snow submitted a letter to the Board offering his services as a representative of Candia to the SNHPC Board of Commissioners. Mr. Snow's experience includes past service in Candia on the Planning Board, Zoning Board of Adjustment, Conservation Commission and the Board of Selectmen.

At the August 17, 2016 Planning Board Meeting, it was the consensus of the Board to recommend Mr. Richard Snow for a three year term on the SNHPC Board of Commissioners to the Board of Selectmen for review and consideration. If you have any questions on this matter or require additional information, please let me know.

Respectfully,

Sean James  
Planning Board, Chair

Richard H. Snow

August 16, 2016

Sean James, Chair  
Planning Board  
Town of Candia  
74 High Street  
Candia, NH 03034

Sean...

I would like to take this opportunity to offer my services as a representative of Candia to the Southern NH Planning Commission. I believe that my past service in Candia as Planning board, Zoning Board of Adjustment, Conservation Commission and Board of Selectmen member provide me with the experience necessary to move us forward with the commission. With the current involvement of the commission in our Master Plan update and the establishment of the Upper Lamprey Scenic Byway, among other projects affecting Candia, it behooves us to leverage the capabilities of the commission with our common efforts.

A handwritten signature in black ink, appearing to read "R + Snow", with a long horizontal line extending to the right.

Richard H. Snow
