Special Conservation Commission Meeting on the Rand Property for potential easement

With discussion around the table, it was decided to put forth the following:

D. Snow motioned for the Candia Conservation Commission to approve funding the conservation easement on the Rand property at 392 High Street, Candia, NH, for the amount of \$70,000.00 and all the associated cost, seconded by J. Lindsey. All were in favor. Motion carried.

The proposal will go to the Board of Selectmen on Monday, May 10, 2010, for their approval to move forward.

If motion is carried to move forward by the BOS, on Tuesday, May 11, 2010, D. Snow and S. Wilderman will seek a land trust company, with a stipulation of a five day response time, along with prompt completion of easement writing. Susan expressed concern that an easement time frame may take longer and wishes the Rands to be informed of the possibility.

J. Lindsey motioned to adjourn, seconded by E. Davidson. All were in favor. Motion carried.
Meeting adjourned at 7:48 p.m.

Respectfully submitted,
Deb Levesque
