

Dear Alumni,

When you leave the Henry W. Moore School in Candia be assured that you are not forgotten. Teacher conversations often include fond and sometimes comical reminiscences as well as animated accounts of chance meetings. "Do you remember Allison Hardy? I ran into her at Copley Plaza. She just graduated from Tufts and has a teaching job in Newton!" or "Did you see that article in the *Globe* about Tom Richard's appointment to the board of directors at TD Bank?" or "I saw Jackie DeSoto at the mall. She has twin boys and they're adorable. She looked so happy!"

Success comes in so many different ways: in continued academic achievement, in terms of career success and especially in terms of successful and fulfilling relationships. We would like to hear about you. What have you been doing since you left the Henry W. Moore School? What challenges have you faced? What successes have you enjoyed? How did the staff at school contribute to your journey? What skills did you learn that have served you well in the intervening years?

If you would be willing to share some of your life experience, we would like to create a bulletin board of Moore School alumni in which we would include a photo of you when you attended Moore school and ask that you send a current photo of yourself to place on our "Moore School Alumni Board of Accomplishments" along with a short biographical update. Our objective is to create a striking visual display that will encourage our middle school students to establish some personal goals, create a strategy to begin moving toward realization of those objectives and to find inspiration and motivation from the experiences of our alumni.

We would love to hear from you whether you attended for a brief interval or for the entire eight years. You can contact me at Henry W. Moore School, 12 Deerfield Road, Candia, NH 03034 or by email nmaloney@sau15.net .
