Good Afternoon,

I'm not able to attend tonight's meeting and am requesting an excused absence. I'll ask my BC alternate if he is able to attend. I've reviewed the meeting materials available, and personally, don't have any questions/comments at this time.

Also, can you please borrow Boyd's key/code to access the Town Offices?

Thank you,
Sue

Good Morning All,

For some reason the original email did not show up on my phone until 12:57 this morning. In the future, I will make sure I get Boyd's keys from him before our meetings. See you all in August.

Lynn
