Candia Board of Selectmen
74 High Street
Candia, NH 03034

Ladies and Gentlemen:

Beginning in the spring of 2018, a Truck Committee within the Fire Department developed specifications and evaluated bids for the replacement of Engine 2. At this time the Committee recommends, and I agree, that the Town of Candia purchase the replacement engine, manufactured by Pierce Manufacturing Company, from Minuteman Fire & Rescue Apparatus, Inc. Attached to this letter is Minuteman's bid.

For this purchase I ask that the Selectmen create a warrant article for consideration by Candia voters at the 2020 Town Meeting. Partial funding can be from funds in the Fire Apparatus Capital Reserve Fund with the remaining funding method being at the discretion of the Selectmen.

Please contact me should you have questions or need additional information.

Fire Chief

MEMORANDUM

To: Candia Board of Selectmen
From: Candia Police Chief Michael McGillen
Subject: Promotion of Corporal Richard Langlois to Lieutenant
Date: October 15, 2019
CC: file

Corporal Rick Langlois' commitment to the Town shows as he has been with the Candia Police Department since July 2000. He is the Departments firearms instructor and is the lead Field Training Officer. Corporal Rick Langlois has done well balancing duties as a supervisor and as the lead training officer. He has been instrumental in training the new officers, and the officers have told me that he is doing a great job. In January 2019, Corporal Langlois completed a leadership class, and plans on attending other classes. Based on seniority, merit, and work performance, I recommend that Candia Police Corporal Richard Langlois be promoted to the rank of Lieutenant effective immediately. I would suggest he start *at Grade 9, Step 12 \$33.41hr.*
