# Memorandum of Understanding

September 14, 2020

To: Town of Candia Select Board

CC: Jesse Remington High School / Candia Congregational Church

From: Smyth Memorial Building Trustees

The Smyth Memorial Building Trustees have reached the following agreement with the Jesse Remington High School for their potential use of the Smyth Memorial Building. It is vital that the Select Board agree to the framework of the agreement before the Smyth Trustees and Jesse Remington invest time and resources into this endeavor.

Overall Vision for the Project: The Town of Candia has a great resource in the Smyth building, and yet, it has remained unusable for as many years as the library service moved to the new location. This proposal creates a path for the building to be brought up to necessary code, and then can be used by eligible groups in the town.

I. Jesse Remington will reestablish the Smyth Memorial Building to usable condition. They will contract, manage, and pay for the project.

II. A General Contractor appointed by Jesse Remington will acquire competitive bids for proposed work, and then finalize plans with SMB Trustees. The Trustees have final approval on all work done to the building. The General Contractor will coordinate with the Building Inspector to ensure appropriate approvals and inspections are obtained.

III. There will be no financial obligation on the part of the Smyth Trustees or the town of Candia for this work. Jesse Remington High School will be responsible for all renovation expenses.

IV. In exchange for their financial investment in the Smyth Memorial Building, Jesse Remington will have use of the building for a period of time commensurate with the value of their investment. This use will take the form of a lease agreement. The term of the lease will not exceed 10 years.

V. Jesse Remington will have use of the building Monday – Friday, 7:30 am to 3:00 pm during the academic year with occasional other events. The building will be available to be used

by the town of Candia and the community at all other times.

VI. All alterations to the structure will be in keeping with the historical character of the building. Excluding the bathroom, no permanent fixtures will be installed. All furniture used in the building will be multi-purpose to allow for the space to be equally usable by both school and community.

VII. Jesse Remington will be responsible for all janitorial responsibilities. Building maintenance and lawn care will be the responsibility of the Smyth Memorial Trustees. The town will be responsible for snow removal of the parking lot; however, the walkways are to be kept clear at all times by Jesse Remington High School.

VIII. A scope of work, summary of costs estimates, and proposed lease will be available to the Select board for review and final approval at the December Select board meeting.

Targeted building availability date is September 1, 2021.

II. The authority under paragraph I shall include the power to rent or lease such property during periods not needed for public use, provided, however, that any rental or lease agreement for a period of more than one year shall not be valid unless ratified by vote of the town.

#### TOWN OF CANDIA

POLICY NUMBER:

2012-001

SUBJECT:

**FUND BALANCE POLICY** 

ADOPTION DATE:

REVISION DATE: November 20, 2015 EFFECTIVE DATE: October 29, 2019

SUPERSEDES:

April 26, 2016

#### SECTION 1. PURPOSE

The general purpose of this policy is to improve the Town of Candia's financial stability by protecting itself against and prepare for financial emergencies and economic downturns and contribute to the continuity of financial operations. This policy encompasses the minimum required fund balance reserves and the allowable uses of fund balance reserves.

#### SECTION 2. DEFINITIONS

#### General Fund:

A fund used to account for basic governmental services supported mainly by tax revenue. Accounts for all financial resources not required to be accounted for in another fund.

#### Fund Balance:

The accumulated equity balance in a government fund resulting from operations over the years. This is the difference between fund assets and fund liabilities.

Fund Balance must be classified into one or more of the five following categories

#### Nonspendable Fund Balance:

Permanent Trust Funds (nonexpendable portion) non-cash assets such as inventories or prepaid items.

#### 2. Restricted Fund Balance:

Funds legally restricted for specific purposes, such as grant, library, income balance of permanent funds, and capital project funds that cannot change purpose.

#### 3. Committed Fund Balance:

Amounts that can only be used for specific purposes pursuant to a formal vote at Town Meeting; such as expendable trust funds (capital reserve), nonlapsing appropriations and other special revenue funds not listed under restricted and can change purposed via a vote at Town Meeting.

#### 4. Assigned Fund Balance:

Amounts intended by the Board for specific purposes. The Board can choose to delegate this authority to the Finance Director, depending on the situation. Items that would fall under this type of fund balance could be encumbrances.

## 5. Unassigned Fund Balance:

Residual spendable fund balance after subtracting all of the above amounts.

#### Restricted Fund Balance:

Includes library, grants, and capital project funds, as well as income balances of permanent funds.

#### Committed Fund Balance:

The Town Meeting, as the government's highest level of decision-making authority, may authorize special revenue funds in accordance with the provisions of New Hampshire Revised Statutes Annotated (RSAs) and expendable trust (capital reserve funds).

#### Assigned Fund Balance:

Lapse of Appropriations. All appropriations shall lapse at the end of the fiscal year Unless authorized in accordance with the provision of RSA 32:7.

#### SECTION 3. SPENDING PRIORITIZATIONS:

- 1. When an expenditure is incurred that would qualify for payment with either restricted or unrestricted, it will be paid first from restricted funds.
- 2. When an expenditure is incurred that qualifies for payment from either of the three unrestricted fund balance categories, it will be applied in the following order:
  - 1) Committed, 2) Assigned, and 3) Unassigned.

# SECTION 4. OVER EXPENDITURE:

The Town will follow the provisions of the State Municipal Budget Law (RSA 32:11) in emergency situations which may cause an over expenditure of total appropriations.

## SECTION 5. FUND BALANCE RECOMMENDATIONS

The New Hampshire Department of Revenue Administration (DRA) recommends the Unassigned Fund Balances remain between 5% and 10% of the Annual Budget. The Government Finance Officers Association (GFOA) recommends the Unassigned Fund Balances remain between 8% and 17% of the Annual Budget.

# SECTION 6. CANDIA'S FUND BALANCE POLICY

#### Minimum Balance:

The Town shall achieve and maintain a <u>minimum</u> undesignated fund balance 5% of the general fund's annual budget, including Town, School, and County appropriations (without reduction for revenues, special adjustments, grants or other income).

## Target Balance:

The Town shall work toward maintaining an undesignated fund balance of at least 15% of the general fund's annual budget, including Town, School, and County appropriation (without reduction for revenues, special adjustments, grants or other income).

FOR EXAMPLE:		N	1inimum	Target	
			Balance	Balance	
ANNUAL BUDGETS - 2012:	***		5%	11576 /	15%
Town	2,889,872				
School	8,599,794				
County	432,916				
Total	11,922,582		596,129	1,788,387	

#### Plan for Target Balances:

The undesignated fund balance target level shall be achieved by conservatively estimating revenues and limiting the usage of any portion of fund balance to reduce the tax rate.

#### Fund Balance Uses:

The Board of Selectmen may appropriate any amount of undesignated fund balance in excess of the designated percentage or use the excess to offset property taxes as part of the final adopted budget for a fiscal year. The Board may appropriate undesignated fund balances for emergency purposes, as deemed necessary, even if such uses decreases the fund balance below the designated percentage, by the procedure outlined in RSA 32:11. Emergency purposes does not include the offsetting of property taxes or mis-management of funds.

Adopted by vote of the Board of Selectmen on this date, the 29th day of October, 2019.

Hi Sue,

As chair of the Candia Conservation commission, I would like to send this letter to recommend the following members be reappointed:

- Elizabeth Kruse...... 2019-2022
- Judi Lindsey...... 2019-2022
- Dennis Lewis......2020-2023
- Dick Snow......2018-2021 (to be reinstated from alternate to regular member)
- Leon Austin......2021

FYI - Susan Wilderman has withdraw at this time from the commission.

We are looking forward to your son Ryan joining us in the future! Thanks for your support of the Candia Conservation Commission.

We especially are grateful for Dean's support by providing the pop-up and prime location for our Bear Sculpture Raffle at the Cruise Nights.

Thank you, Judi Chair of the CCC
