**Proposed Congressionally Directed Spending Item Request for Fiscal Year 2022:**

Chair Brock announced the Board received information from the State of N.H. Legislative Office for an opportunity to file a Congressionally Directed Spending Item Request for Fiscal Year 2022. The Board believes it is necessary to have a meeting to discuss their interest of applying to the request of funding a NH Public Works Garage and Safety Complex in the Town of Candia.

Selectman Chivers stated the request was received last week from U.S. Senator Jeanne Shaheen's Office and they did not give much time for the Board to respond back. If the Board wants to apply for the request, the form would be due today May 21<sup>st</sup>, 2021, and the application is required to be completed and submitted online.

Selectman Chivers explained the attachments that would need to be submitted. A copy of the Candia's Capital Improvement Plan which includes the Fire, Police and Highway Departments that the Town had set money aside for these future projects. He emphasized that all of the items that they would be submitting ties into what they would be applying for and what is being offered. Therefore, it is important the Town demonstrates their commitments to these projects of the Capital Reserve Account and the Capital Improvement Plan. The other requirement is to include two letters of support from members of the community in which the Fire, Police and Highway Department have each presented one to submit.

Selectman Chivers made a motion to accept the completed Application as they discussed and agree for it to be submitted as presented. Seconded by Selectmen Young. All in Favor. Motion carried by a vote of 4-0-0.

**10:15 pm** Selectman Chivers made a motion to adjourn the Public Meeting. Seconded by Selectmen Young. All in Favor. Motion carried by a vote of 4-0-0.

Respectfully submitted,  
Linda Chandonnet, Recording Secretary
