Candia, NH 03034

Dear Candia Selectmen,

The Candia Community Woman's Club (CCWC) has been proudly serving our community since 1983 by enhancing the lives of others through volunteer service.

Our members run and organize the Candia Food Pantry as a community service project for the past 39 years. Back in 2002, the CCWC had asked the Town of Candia to accept and handle the donation funds that are associated with the Candia Food Pantry because at the time the Candia Community Woman's Club was not a 501(c)3. We found that we were losing some very generous and needed donations because the donors wished to only support those organizations with a 501(c)3 status. We obtained that status back in 2014 and have been current with the State of NH as a registered non-profit ever since.

The Candia Community Woman's Club is asking the Town of Candia to release all funds associated with the Candia Food Pantry to our Club for our treasurer to handle. It seems like it is such a duplication of services to have both the town and the Club involved in this process. We are very grateful to the Town of Candia for assisting our Club with the accounting. Donna Becker has played a huge role in this position and we would like to personally thank her for her time, commitment and organizational skills with the Candia Food Pantry funds.

We would also like to thank the town of Candia for their assistance in preparing the space in the basement of the Town Office Building back in 2002 and for letting us use that space over the past 20 years. The space has met our needs perfectly during that time period as we served dozens of families during that time.

Thank you in advance for your time.

Sincerely,  
Candia Community Woman's Club
