Budget Review:

Ambulance Service: Selectman Chivers mentioned NHMA (New Hampshire Municipal Association) had recently sent a guest speaker to talk to them about having a Compliance Officer and in recommending this for the Town's best practices. He had a conversation with Fire Chief Dean Young and they determined they should invest in a Compliance Officer to help with their administration work at the Fire Department. Captain Mike Kelley is willing to do all the administrative duties that are associated in their department including the billing, training, scheduling and in managing. He asked to have a line added to the budget for the Compliance Officer and to fund it in the amount of \$12,000. Selectman Chivers urged the Board to support this when it goes to the Budget Committee on December 6, 2022. Captain Kelley recommended adding a line in the budget for the third party billing contractor and to fund it for \$1. Fire Chief Young explained how it would all work. In conclusion the Board agreed to change the Administrative Line/Compliance Officer from \$1,500 to \$12,000.

Selectman Young asked the Board for their thoughts about grant money, as they currently do not have any. She believes they should compensate the individuals that help to find Grants for the Town. Fire Chief Young informed the Board about the Grants that were received for the Fire Department. The Board agreed to add in a line of \$1 under the Town Office Expense line for a Grant Writing Consultant, in order to compensate individuals that assist in receiving Grants and are not town employees.

Selectman Young asked about a Warrant Article to take money out of the Unreserved Fund Balance and to place it back into the Capital Improvements Fund because it is currently low and would like to build this up. She asked if they would need to go to the legislative body to take that money out of the Unreserve Fund Balance or could they decide to do it as Selectmen? Town Administrator Hansen said she will call and ask DRA (Department of Revenue). There was a proposed warrant article to establish the Ambulance Capital Reserve Fund and to fund it with \$100,000 from the Unreserve Fund Balance. The Board declined moving this proposed article to the warrant.

Chair Brock asked the Board if they would like to add the \$13,000 back into the Planning Board? The Board replied, they had agreed to this amount in their last meeting.

Selectman Young conveyed that she is very concerned about a default budget and thinks that if they cannot give their employees an increase on what she thinks they should, that this will be the biggest injustice and disservice the Board could do. Chair Brock said the Warrant Article is separate from the budget and there is nothing that says they could approve warrant articles and possibly go default on the budget. Selectman Chivers said the Board has been working on lowering this budget for the last month and he believes they have done their best. Town Administrator Hansen provided a new budget amount of \$3,768,137. Discussion ensued.

Selectman Moran suggested skipping Household Hazardous Waste Day for 2023. Selectman Young said they could add this as a Warrant Article and if the residents want it they may vote for it.

MOTION: Selectman Moran made a motion for Household Hazardous Waste Day for the amount of \$17,000 not to be put into the budget and for it to be added as a Warrant Article. Leaving \$1 in the Household Hazardous Waste Day in the budget line. Seconded by Selectman Young. All in favor. Motion carried by a vote of 5-0-0.

Selectman Moran asked the Board to reduce the Asphalt maintenance line from \$238,000 to \$229,000.

MOTION: Selectman Moran made a motion to reduce the Asphalt Maintenance line from \$238,000 to \$229,000 and equivalent to 2022. Seconded by Selectman Young. All in favor. Motion carried by a vote of 5-0-0.

Selectman Young discussed the replacement of the floors at the Town Office that is in the current budget and asked to take it out of their Building Fund line and not the 2023 budget. She was told this line was reduced by the Budget Committee to \$1,000. They agreed to take the money out of the Building Trust Fund for the new flooring installed this year.

MOTION: Selectman Chivers made a motion to keep the Carpet Cleaning/Tile Floor Line at \$1,000. Seconded by Selectman Young. All in favor. Motion carried by a vote of 5-0-0.

Selectman Moran asked the Board to have another conversation about the Employee's Cola because he is not in favor of what they decided on, to receive a 6.4% quarterly bonus. He explained his point of view on how the cost of living is different than a yearly bonus. Social Security has determined the cost of living increase is 8.7% and he does not agree employees should receive this entire amount but did suggest giving them a 4% Cola as a pay increase. Discussion ensued.

MOTION: Selectman Moran made a motion to change the Town Employees Cost of Living to 4% as a wage increase as opposed to the 6.4% quarterly stipend. Seconded by Chair Brock. Discussion opened. The Board discussed the amount they are voting on if it would be a stipend or whether it would be added to their wages. Discussion closed. Motion carried by a vote of 3-2-0. Selectman Dann-Yes, Selectman Young-No, Selectman Chivers-No, Chair Brock-Yes and Selectman Moran-Yes. Selectman Young stated she appreciates Selectman Moran efforts in asking the Board to revisit the Town Employees Cola.

Town Administrator Hansen provided a new budget amount of \$3,736,137 in which 10% is for the Ambulance. The Board took a vote to accept the budget to present to the Budget Committee.

MOTION: Selectman Chivers made a motion to accept the budget amount of \$3,736,137 to present to the Budget Committee as their last and best effort to amend it. Seconded by Selectman Moran. Motion carried by a vote of 4-1-0. Selectman Dann-Yes, Selectman Young-No, Selectman Chivers-Yes, Chair Brock-Yes and Selectman Moran-Yes. Selectman Young said she voted no, and her reason

is that she believes the percentage is too high for the taxpayers this year and she does not want it to go into default.

The Board discussed the request they received on adding an Article for the Warrant that contains two elements. One of them is to establish an Ambulance Reserve Fund and the second one is to move \$100,000 out of the Unreserved Fund Balance into a Capital Reserve Fund.

MOTION: Selectman Chivers made a motion to deny the request received. Seconded by Selectman Moran. All in favor. Motion carried by a vote of 5-0-0.

(IF YOU VOTE YES FOR THIS WARRANT ARTICLE YOU WILL REMOVE THE PLANNING BOARD'S AUTHORITY TO GRANT WAIVERS). (Submitted by petition)

(Article 28 is a petition and does not need to be voted on)

Planning Board Chair Cartier stated he has a question that needs to go to NHMA (New Hampshire Municipal Association) because he believes it will need to go to the Planning Board for endorsement. He asked if the Land Use Department could reach out to NHMA to see where it should be.

GIS Proposal: Mr. Cartier asked Chair Brock to sign the proposal in order for them to do the work this year. He has the two items for the GIS updates and the Cemetery. What he would be proposing in the meeting is to encumber \$2,000 from the Land Use Department and \$2,840 from the Cemeteries budget. Selectman Moran asked Mr. Cartier if there was something they could do to use the \$5,000? Mr. Cartier stated he will check with Stantec and does believe he could get a contract with them.

He confirmed they could do the asset data collection for approximately \$2,400 and it would reduce the Land Use amount to \$2,700. Chair Brock mentioned that he should keep each one separately. Mr. Cartier confirmed they will be putting back \$8,500 into the Planning Board's Budget for the Master Plan Implementation and Planning and \$5,000 for the Land Use's Office for Special Projects. Discussion ensued.

MOTION: Chair Brock made a motion to approve a total of \$11,000 of which \$2,500 would go into the Land Use Project Management line and \$8,500 into the Planning Board. Seconded by Selectman Dann. Motion carried by a vote of 3-2-0. Selectman Dann-Yes, Selectman Young-No, Selectman Chivers-No, Chair Brock-Yes and Selectman Moran-Yes.

The new budget total is \$3,747,137.

Mr. Cartier gave an update on the Planning Board. He sent the Board a copy of the Appeal for Foster Farms. They received a legal appeal for the review they had done. They also have a denial for the legal

appeal they did. They are getting pressured because the State Legislature has given severe changes that will be required in Candia for housing. The pressure is with the Zoning Regulations that they will be challenged with next year and will most likely be more legal involvements that they will be engaged with. The biggest item will be with the Workforce Housing changes with the State and remarked how the Planning Board is trying to be proactive with this. Discussion ensued.

There was a brief discussion on the Twenty Three and Me hearing with Superior Court that is scheduled for December 6th, 2022.

Mr. Cartier announced NH Housing Finance Authority will be having training on Monday, December 5th, 2022, regarding Grant Funding.

Payments: Town Administrator presented the Board with a recent bill from Patriot for work that was completed back in January 2022 to be paid from the Building Maintenance Fund.
