Meeting Minutes

October 15th, 2020 Cemetery Workshop Notes

Present: Chair Holly, Carleton Robie, Sexton Martin McFarland & Admin.
Assistant Donna Del Rosso.

Absent: Tom DiMaggio, Bookkeeper Beth Chalbeck and Dick Snow.

Meeting Notice Posting included the public to attend via telephone conference and no one called in, including the absent members. Due to the lack of a quorum this will be a workshop only.

Regular Business:

3. Monthly Operational Report – Sexton Martin reported quite a few burials the past few months.
5. Monthly Budgets – reports were not available.

Old Business:

1. Gate in Beane Island Repair – Carleton and Martin are still looking. There was a quote for \$4800 (installed) from Brentwood, there is a comparable gate near Epping if members wanted to go and look at it to see if it might work.
2. Hill Cemetery Tree Issue – Martin is keeping his eyes on them; they look good for now.
3. Granite Post Sign Damage – Invoice for replacement is \$1800 from Manchester Memorial. Holly will call to see if this is correct, trustees think that we paid under \$1K each for 3 posts last year.

New Business:

1. Business Wetland – Nothing has been received yet from Jim Franklin.
2. Hill Cemetery – Founding Fathers, Chair Holly found approximately 27 of the 34 father that signed the Charter in 1763, some of the others are buried in other towns or states.
3. Seasonal Gate closing – December 1st or the first substantial snow fall.

Other Business:

1. Future meetings and action items – tentatively set for November 19, 2020 @ 6:30 p.m. @ 459 High St. Candia. The public is invited to attend.

Trustees adjourned @ 7:45 p.m.

Notes respectfully submitted by Admin. Assistant Donna Del Rosso.
