

Town of Candia

Central Village Zoning Steering Committee

5:00 P.M. Tuesday, August 15, 2017

Candia Town Office Meeting Room

MINUTES

Present: Colleen Bolton, Rob Jones, Carleton Robie, Betty Sabean, Dick Snow, Carol Ogilvie, and Clark Thyng.

Old Home Day Review. Carol reported on her attendance at Saturday' s Old Home Days with a table and questionnaire surveys. Only one person filled out a questionnaire, but several took one with them, and about six people did stop to ask questions and talk. Even though the response was not overwhelming, Carol felt nonetheless that it was a worthwhile exercise.

Logistics for the Public Sessions. The Committee reviewed the plans to date for the two public sessions. Rob will be at the CYAA in the afternoon to begin setting up. Others will join as schedules permit. Betty agreed to be the Scribe for writing comments/questions from the public. Pizza and water will be provided; however, based on past master plan experience, it was felt that child care would not be necessary. Clark was in attendance to ask several questions he had about his role as moderator.

Draft Agenda for Public Input Sessions. Carol distributed a draft agenda for the public sessions, explaining that she would be making only a brief presentation, since the primary purpose of these sessions is to hear from the public.

Project Name. The Committee again discussed what the project should be called and ultimately agreed to "Candia Central Village" project.

Next Meeting. Carol suggested that since the planning work for the public sessions was essentially complete, unless something should come up in the interim, she felt that the Steering Committee would not need to meet until after the second public session on September 22nd. All agreed, but no date was set.

The meeting adjourned at 6:00 P.M.

Respectfully Submitted,

Carol Ogilvie
