Meeting opened with the Pledge of Allegiance.

Minutes approved

Minutes from the commission's May meeting were approved.

Candia Ag Day at Moore School

Diane and Betty reported they participated in Ag Day at Moore School and shared photos and a few thank-you notes from students with the group.

Discussion: Appointment of Smyth Trustees

Selectmen have appointed Trustees of the Smyth Memorial Building (per passage of a town meeting warrant article).

Trustees are: Diane Philbrick, Linda Maxwell, Al Couch, Fletcher Perkins and Carl Penfield.

Trustees will now be the group granting permission for our use of the SMB in the future. Diane will keep the Commission informed regarding trustee meetings, activities, etc.

Discussion: History Project

There was lengthy discussion about the town history project – printing costs, content, editing said content, and the continuing collection of personal recollections from townspeople.

Diane also shared a folder with memories from Moore School 7th and 8th graders, asking how we might incorporate this material as well.

After more discussion, the group agreed that Carmelle and Diane would meet to discuss formatting and printing specs, and Carmelle will report back to the

Commission at the next meeting with a project timeline and overview of a possible table of contents.

In the meantime, commission members will ask residents planning to submit information to do so by July 8.

Discussion: Village Walking Tour

The commission once again discussed the Village Walking Tour project. Lorraine and David will be visiting current homeowners to ask about any significant histories or other highlights related to their residences.

With no other business, the meeting adjourned.

Next Meeting

The next Heritage Commission meeting will be held Tuesday, July 8.
