Opening Pledge of Allegiance and Approval of June Minutes

Minutes from the commission's June meeting were approved

Beane Island History

Jim Lindsey talked at length about his past work in chronicling the history of Beane Island. He met with the Commission in anticipation of the planned history of the area (to complement the Commission's past histories of Candia's other villages).

The Commission will discuss how best to move forward at its next meeting.

In reviewing documents to prepare for Jim's appearance, Diane dove into her paperwork trove and found write-ups from Roger Brevort and Chris Closs dating back to the work done to prepare the 1981 master plan.

Library History

Carmelle, Betty and Lorraine will meet July 23 to review a potential layout for the document (which will be downloadable from the town website). A draft will be presented to the Commission at the next meeting.

The next meeting of the Candia Heritage Commission is set for Tuesday, Sept. 10, 2019 at 7 p.m. at the Smyth Memorial Building.

Respectfully submitted by Carmelle Druchniak
