As written to propose for warrant articles:

Zoning Amendment #:1 Article V, Section 5.02(A)(14) -Large Gatherings:

ADD NEW SECTION:

[Multi-day events and gatherings (*larger than 99 people*) such as agricultural fairs, music events, festivals, fairs, entertainment, weddings, camping and the like not to exceed 3 consecutive days; subject to inspection by the Health & Safety Officer in regard to the health, safety, and welfare of attendees, vendors, sponsors and the like. Special event/venue permits, or an emergency service detail may be required (subject to the determination by the Police and Fire Chief's). Outdoor amplified music must not extend past 11pm and must respect the "right to quiet enjoyment" in the Residential District "R". Such events will be limited in size to not exceed 75 people per acre of land dedicated to the event. The events shall not increase traffic above normal flow between the hours of 12am-6am. For events in the "R" and "MX" districts only: 1. Abutters shall be notified by registered mail at least 10 days in advance; 2. shall not total more than 10 gatherings in a calendar year or 2 in a calendar month. The event premises must have ample off street parking for the event and cannot impede traffic on town roads. The number of bathroom/portable mobile toilets must be at minimum: either equal to or greater than 1 bathroom/portable mobile toilet per every 25 attendees of the event (final determination by the local Health & Safety Officer and Chief of Police).]
