

Candia's Future Safety Facility

Questions and Answers

Why does the Police Department need a new Facility?

The current Facility at the Town Hall building is inadequate and there are safety concerns. Information may be viewed at <https://www.candianh.org/announcement/find-out-why-we-need-to-modernize-the-candia-police-station>

When did you begin to talk about the idea of a Future Safety Facility?

A Safety Facility Committee was formed in September 2020. Regular meetings have been scheduled monthly for anyone interested to attend. See Town Calendar.

What departments will be in the Future Safety Facility?

As of right now they only plan to build the Police and will add on the Fire and Highway at a later date when needed.

When do you plan on building the Future Facility?

The intent for Article #3 is to purchase the land first. Building the facility will not happen immediately. There are several factors to consider, for example, how the project will be financed, the size of the facility and needs of the Departments.

What is Article #3?

On Election Day - Tuesday, March 8th voters have the option to vote on supporting Article #3 to purchase land only for a future Safety Facility.

Where is the property located?

On Raymond Road, next to the Court House centrally located in Town.

How much will the Property cost?

The 6.9 acres parcel will cost \$400,000. The Town has \$250,000 from a previous sale and will need an additional \$150,000 raised through taxes for the purchase of the land.

What is the Tax Impact?

The Tax Impact is approximately \$.28 per thousand. The average cost of a home in Candia is \$300,000, so the one-time tax impact would be \$86.00 per property.

If you have additional questions please attend our next Safety Facility Public Meeting scheduled on Saturday, March 5th, 2022 at 2:00pm in the Town Hall Meeting Room.
